**Dear Antonio Park Families,**

Welcome back everyone!!!! I would like to welcome all our Foundation students for 2014 and the following students who have joined us in other year levels, Orak and Sebastian A and Tara K. We also extend a warm welcome to all of their families. I would also like to welcome Bronwyn Wickett, who is returning from Family Leave and not new, but with new names after getting married during the holidays: Mrs Madeley (formerly Ms Emmerson) and Mrs Arundel (formerly Miss Mackay).

I have been impressed with all staff for the excellent preparation and commitment to ensure our students have a great start to the school year. All of the students and especially the Preps, have settled in brilliantly. Visiting all of the classes, chatting with the students and staff, everyone looked refreshed…batteries well charged for another great year.

**Cheers and Tears**

Last Thursday, it was lovely to see our mums and dads join us in the library to celebrate the start of their child’s schooling at APPS. All of our Prep students have settled in well and there were lots of smiles on everyone’s faces.

A big welcome back from all of the level 2 team. We are all ready for another exciting year.

The level 2 information evening will be held on Monday 17th February from 6.30pm until 7.30pm. It will start in the hall and then move to individual classrooms for a chat with your child’s teacher.

One favour we ask from all parents would be able to donate a box of tissues to their child’s classroom, it would be much appreciated.

The inquiry unit we have been studying for the first 2 weeks is ‘Learning to Learn’ where the children explore themselves as learners, classmates and leaders. The inquiry unit that we are starting next week is called ‘Then and Now’ focussing on how families lived in the past compared to the present. Any books or trinkets that relate to this topic and can be borrowed for the term would be greatly appreciated.

Have a great week,

The Level 2 team.

PARENT MORNING TEA

On the first Monday of every month, following assembly, we will be holding a morning tea for parents.

We welcome all parents to join us for a cup of tea or coffee. Our first get together will be on 3rd March.

This is great opportunity to meet together for a chat and a relax!

WHAT’S HAPPENING IN LEVEL 3?
Welcome back to another exciting year in Level 3, we hope that everyone had a wonderful break! We have hit the ground running and are enjoying seeing what the students can do. This term we will be undertaking the unit ‘What is a cooperative community?’ looking at how people in a community work with and for each other. For now, we are continuing our Start Up program and getting to know the students and their individual interests and learning styles.

Level 3 Information Night
The Level 3 Information Night will be held between 7:00-8:00 on Tuesday 18th February. This will be a great opportunity for parents to come in and hear all about life in Level 3, including curriculum content, homework and camp. The first half of the hour will focus on general information, followed by time in the Level 3 classrooms to get to know your child’s workspace. We look forward to seeing you there!

Level 3 Excursion – Melbourne Museum
To kick start our unit, students will be attending an excursion to the Melbourne Museum on Thursday 20th February. A red notice was sent home at the end of last week. We kindly ask that the permission envelope and payment of $10 be returned to school by Friday 14th February. Any parents that would like to assist on the day should return the small slip at the bottom of the notice.

House Swimming Sports
Our swimming sports will be happening on Wednesday 12th February. A notice was sent home at the end of the first week outlining times and details for the day. Level 3 students will need to return the permission envelope and payment of $10 to cover the cost of pool hire and transportation.

Sun Smart Term 1
It has been a hot summer so far and it looks like we will continue to experience these temperatures across Term 1. Just a reminder that students need to bring their hat every day. We also encourage students to use the sunscreen that is available in each classroom.

Tissue Box Donations
We kindly ask that students in each class donate a box of tissues for use in each classroom. Donations can be made to your classroom teacher.

Visual Arts Diary
Every Level 3 student requires a visual arts diary for use in the art room this year. If you have not already sent yours to school, please do so as soon as possible.

Enjoy the rest of your week!

**WORKING BEE**
**SUNDAY 16TH FEBRUARY 2014**
**9.00 – 12 midday**

We have 4 working bees each year (one per term) and they are usually garden focussed however over the last few years we have accumulated a lot of furniture, production props, paint and bits ‘n pieces and so it is now time to have a spring clean and either dispose of, or store appropriately, excess articles.

Therefore our first working bee this year will be a little different. We are going to hire a skip and have a good tidy-up. Some of this work may be heavy and dirty.

Of course there is always general gardening to do and all the plants would love a drink!

Hope to see you there

BUILDING & GROUNDS COMMITTEE
CLASSROOM HELPERS PROGRAM

As part of our Literacy Program at Antonio Park, a Classroom Helpers Program will be held in Term 1. The Classroom Helpers Program consists of four weekly sessions. The aim is to enable parents to help in the classroom during Literacy times, to know what to expect, and to feel confident in assisting classroom teachers. Parents who cannot help in the classroom, but would like to find out more about our Literacy Program are most welcome to come along.

The sessions will deal with speaking and listening, reading and writing, and the benefits associated with being a helper. Each session is expected to take one to one and a half hours. This is also a great opportunity to meet other parents in a casual setting. If needed, childcare can be provided.

The program will be held every Monday at 10.00 (following assembly) beginning 3 March, then 17 March, 24 March, 31 March, in the library.

Looking forward to working with you!
Jan MacDonald

Walking School Bus

The Walking School Buses are ready to depart, but we need some drivers, conductors and of course, passengers to join us.

What is a Walking Bus?
Each Walking School Bus is made up of at least two parents, one called the ‘driver’ and one called the ‘conductor’, and up to 16 children. (Currently our Burnett St Walking School Bus has over 16 children so we operate on a 1 adult to 8 children ratio.) Each bus walks along a set route, picking children up at designated stops along the way. Children up until the age of 10 do not have the spatial awareness and road savvy to walk independently along our busy streets. On the flip side our children face the real possibility of being less active, obese & living in a car driven society. Walking School Buses began in England and were brought to Melbourne by VicHealth. We are fortunate that the City of Whitehorse now provides funding for equipment, training of volunteers & promotional items.

Walking on the Bus at Antonio Park
Antonio Park Primary's Walking School Bus program commenced in 2004 and now successfully runs 3 bus routes with many children & volunteer parents being involved. Our 3 bus routes are:
1) Burnett Street Bus – starting Burnett St & Austin Street, along Thomas St & Whitehorse Rd
2) Wattle Valley Road Bus – starting at the Wattle Valley triangle up through Antonio Park
3) Brunswick Road Bus – starting at Linlithgow St, along Brunswick Rd to Cochrane St then walking along Whitehorse Rd and crossing in front of the school.

Our school has a strong environmental culture and walking plays a significant role in reducing excess traffic around the school while providing a safe, sustainable and healthy transport option.

Walking School Buses can assist children to:
Get to school safely, conveniently and on time
Get regular physical activity and exercise
Gain a sense of independence
Experience being part of a group
Meet children in other grades
Learn about traffic safety and good road sense
Arrive at school alert and ready to learn.

Getting started
At the start of each year an ‘Expression of Interest’ form is distributed to gauge how many children and what days they are interested in walking. As buses can’t run without volunteer support a timetable is then formulated by when volunteers can walk or ‘drive the bus.’ We are in need of more volunteers on the Brunswick and Wattle Valley Bus routes. First Aid Training and a short Induction Session are provided by the City of Whitehorse to new volunteers. Children may start to walk on our buses at any time of the year.

If you want to join us please complete the following form and return to school. Following this a personal and medical details form must be completed and received BEFORE a child can walk with the Walking School Bus.

Contact Kaisha Gurry, 0416 135 247 or mickandkaisha@hotmail.com for further information.

Violin Lessons

Trent Bunston has been teaching violin at Antonio Park Primary School for 2 years. He teaches Classical & Modern violin. Trent has completed 8th Grade, Amus and studied Lmus qualifications. His students perform termly at external violin concerts and school assemblies to motivate and prepare them for AMEB exams. Trent's students in the past 5 years have received no lower than a B+ in exams from preliminary to seventh grades.

All lessons are held at school, during school hours for 30 minutes, private (one-to-one) lessons, weekly on Thursdays. Currently there are two places available. New students are given a free trial lesson at which they take home a violin and music book for a week to practice on to introduce them to the instrument and for them to determine if they are interested in continuing with weekly lessons.
