Dear Antonio Park Families,

Excerpt from our 2013-2016 Strategic Plan

ERRIC is the symbol for our school community’s values.

APPS has a culture whereby staff, students and parents are expected to demonstrate behaviour that reflects these values.

The strong partnership between home and school is seen as the foundation of successful learning for all children. Through our school values of empathy, responsibility, resilience, independence, and confidence, children are encouraged to develop a sense of wellbeing and are supported in developing healthy relationships with others. They are encouraged to be independent, accept increasing responsibility for their learning and to do their best. Their successes are acknowledged in many ways but no more so than through our weekly assembly where students are encouraged to participate and where achievements of our students, staff and parents are recognised and celebrated.

Student Leadership

Congratulations to the following students who have received leadership roles for this year:

School Captains
Alex, F, Emily V, Alex Mc and Jessica Z.

House Captains and Vice Captains

Deep Creek
James R and Mackenzie I

Mullum Mullum
Tyson P and Ella S

Wattle Valley
Isaiah H and Eboni M

Yarran Dheran
Jack C and Jess G

Semester 1 Junior School Councillors

Semester 1 Environmental Leaders

Working Bee

A big thank you to the following staff and families for their work last Sunday; staff: Alec Baroni Dallas Bolton, Jan MacDonald and myself; families: Pontefract, Fitzgerald, Livermore, McGrail, Bonetti, Armistead, Powell, Maaskant and Johnston.

We commenced the very big job of cleaning out under the school. There is still more work to be done here. Once we had filled the skip we focused on the front of the school: pruning, sweeping, weeding and putting mulch on the garden beds. It was a fantastic effort.

Karen Patten
Schedule 4  Notice of Election and Call for Nominations

An election is to be conducted for members of the School Council of ANTONIO PARK PRIMARY SCHOOL.

Nomination forms may be obtained from the school office and must be lodged by:

4.00pm on Thursday February 20, 2014

Following the closing of nominations a list of the nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for election are as follows -

<table>
<thead>
<tr>
<th>Membership category</th>
<th>Term of office</th>
<th>Number of positions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent member</td>
<td>From the day after the date of the declaration of the poll in 2014 to and inclusive of the date of the declaration of the poll in 2016</td>
<td>4</td>
</tr>
<tr>
<td>DEECD employee member</td>
<td>From the day after the date of the declaration of the poll in 2014 to and inclusive of the date of the declaration of the poll in 2016</td>
<td>2</td>
</tr>
</tbody>
</table>

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

If more nominations are received than vacancies, a ballot will be conducted.

Karen Patten
Principal
It was lovely to see so many parents at our Information night this week. All attending parents received an information booklet which outlines the programs and processes for the year in your child’s class. If you weren’t able to attend, the booklets will be sent home with your child.

A big thank you goes out to all of our wonderful teachers for their presentations on the nights.

Parent Teacher Discussions
Parent teacher Discussions will be held on the following days:
- Level 2 & 4 - Tuesday 4th March
- Level 3 – Wednesday 5th March

This will enable you to meet with your child’s teacher individually and share information about your child so that the teacher is fully informed.

Restorative Practices
At Antonio Park Primary School, we use the Restorative Practices approach to heal and repair harm, and to put in place ways of building and developing the social and emotional literacy of people so they are better able to express themselves, relate well with others and deal with conflict when it arises.

All families have our Restorative Practices booklet, which holds a wealth of information about how Restorative Practices works and the many benefits of the program. If you have any further queries about this approach, please do not hesitate to contact Jan or Annette.

New Playground Official Opening
At Antonio Park P.S. we do love a celebration!

Don’t forget about the Official Opening of our new school playground on Friday, 28th Feb from 5.00-8.00pm. A yellow note was distributed this week with more details. It will be a great evening with lots of prizes and good food. We hope to see you there!

Jan and Annette

What’s Happening In Level 1?

Please see the Prep newsletter for ‘What is Happening in Level 1?’

What’s Happening In Level 2?

It was lovely to see so many parents at our Information night this week. Thanks for coming along. We all enjoyed meeting our new parents and catching up with ones from last year. If you did not receive a Level 2 information booklet, just come and ask one of us or send a note and we will send one home with your child.

In Maths this week we are looking at Place Value. We have many great activities ready for the students. Continue counting with the students and discuss the value of our numbers, such as units, tens, hundreds and thousands, etc. Guess my number is a game the students know and enjoy playing which helps them to think about place value in a fun way.

We are continuing on with our Recount writing this week. It has been lovely to read about all the students’ adventures during the holidays.

In our unit ‘Now and Then’ we have had many discussions about the Olden Days. We have seen many surprised looks on the students’ faces already. Fancy not having a phone! What would you play games on? If you have any old items that may be of interest to the students and you don’t mind lending them to us or even coming in and showing the classes we would really appreciate it. Also any books that may have pictures or information about games or items from the past would be good too. Please talk to your children about what life was like for you as a child. What games did you play? How many televisions did you have?

Have a great week.
From the Level 2 team.
What’s Happening In Level 3?

We had a great Information night on Tuesday, with many parents coming along to hear about the Level 3 learning programs and organisation. Thank you to those families who have returned their parent/teacher discussion forms. Please see your child’s teacher if you still need to organise a time for a chat.

We have been particularly excited about the Level 3 students’ recount writing. Their understanding of the genre and use of interesting language is outstanding! The recounts of family holidays make us all feel like going to the beach, the movies, Christmas parties and all the other adventures students have had over the summer break.

In maths, the students have just completed a unit on place value. We are now beginning our journey of learning and applying addition and subtraction skills.

Look out for the first round of homework coming home this week. Students have 10 days to complete it, with it being returned next Friday – Remember, it’s all about time management!

Have a great week,
The Level 3 Team

What’s Happening In Level 4?

Information Night
It was lovely to see everyone at our Information Night on Monday. If you were unable to attend please see your child for a Level 4 Information handout that was available on the night.

Homework
Homework has started! On Monday your child received their homework for this week. Homework will now be given out on a Monday and is due in on the Friday of the same week. As mentioned at our Information Night we want to instil in your child some good time management skills in preparation for secondary school. Therefore our homework is not expected to be tedious or hard. All we want from your child is that it is completed on time within the framework of their week and being able to plan it around sporting activities etc. If your child would like to add more to their homework in the way of extra words for grammar, add more mathematical problems related to the current focus etc. they are free to do this and we love to see students push themselves here.

Diaries
Diaries are a very important part of Level 4 this year. Each student has received one and they are expected to bring them to school each day. We will be using them to record special events, spelling words and also as a reading log. We would like you to support your child in the management of their diary. You can help your child by checking to see that they are using it regularly and at the end of the week could you please sign it to say you have seen it and any upcoming events. You can also write messages to us via the diary however if your child is absent we still require a separate note.

Level 4 Sport
This Friday we will be playing North Ringwood in our Interschool Sport Competition. The following teams are playing at home: Tee Ball (both teams), Volleystars and Bat Tennis. These teams are playing away: Basketball (both teams), Cricket and Rounders (both teams).

Have a wonderful end to the week!

Environmental News

SUSTAINABLE SCHOOLS NEWS
Do we have any Girl Guides/Scouts/Cubs or Friends of Melbourne Zoo who are collecting corks for the Zoo? We usually have a box in the school foyer for donations of corks and we would like to continue this if we have anyone willing to handle the collection?
Please contact Janet George (Art teacher) at school.

SCHOOL CLEAN UP AUSTRALIA DAY – FRIDAY, 28TH FEBRUARY
We will again be participating in this worthwhile activity this year. Classes will be cleaning up an area of our school grounds and fence lines sometime this Friday. If you would like to send a pair of gloves along to school with your child that would be great – disposable, rubber of garden gloves.
Many thanks for thinking about our future and the environment,

The Sustainable Schools Team
What's Happening In PE?

HOUSE SWIMMING SPORTS
Congratulations to all the Level 3 and Level 4 students who contributed to the enjoyable morning we had last week at the Tintern Pool.
Final points were: 122 Deep Creek; 121 Mullum Mullum; 106 Yarran Dheran; 99 Wattle Valley.

DISTRICT SWIMMING SPORTS
Congratulations to all students who represented the School so well on Monday.
Here are the placegetters in their heats:
10 Year Boys: 2nd Oscar W Backstroke
10 Year Girls: 1st Chantelle U Freestyle and Butterfly; 2nd Bridie C Freestyle, 3rd Georgia G Backstroke
11 Year Boys: 1st Josh P Freestyle 3rd Backstroke, 3rd Ben C Freestyle
11 Year Girls: 2nd Georgia W Freestyle, 3rd Olivia J Freestyle, 3rd MacKenzie I Freestyle and Breaststroke

12 Year Boys: 2nd Harrison F Freestyle, 2nd Alex M Freestyle, 3rd Harry W Freestyle and Backstroke, 2nd Oscar K Backstroke
12 Year Girls: 1st Natasha W Freestyle, 2nd Jessica J Freestyle, 3rd Sasha T Freestyle, 3rd Alex G Breaststroke

Students to qualify for the Region Championships are: Chantelle U in Freestyle and Butterfly.
10 freestyle relay team of Chantelle U, Bridie C, Oscar W and James P.
Congratulations to all and good luck to those who go on to Division.
Thank you to Mrs Webb and the other parents for their support and assistance.

House Captains
Congratulations to the House Captains that have been voted in by their peers for 2014. Mr Mac and I look forward to see your leadership around the school and working with you throughout the year.
From left to right: Isaiah H, Eboni M (Wattle Valley/Blue), Jack C, Jess G (Yarran Dheran/Green), James R, Mackenzie I (Deep Creek/Blue), Tyson P and Ella S (Mullum Mullum/Red)

School Nurse
Cathy Griffin a visiting primary school nurse from the Department of Education and Early Childhood Development will be attending Antonio Park Primary School to conduct health assessments for our Level 1 (foundation) students and to see other children as requested by parents or teachers (with parents’ consent).

The purpose of the visit is to provide all Victorian children with the opportunity to have a health assessment, to link children, families and school communities to services available in the community; and to provide information and advice that promotes health and wellbeing.

Parents are invited to contact the visiting primary school nurse if there are any issues they wish to discuss on 0418 392 415.

Parents of students in Levels 2-4 that wish their child to be seen by the school nurse need to complete a referral form that is available at the school office. This completed referral form needs to be returned to the school office.
School Values—EMPATHY

EMPATHY is the ability or capacity to recognise emotions that are being experienced by another living thing. 

For example, you may notice that another student is upset and being there to support/help them.

It could be noticing that one of the chickens or Gus/Larry are scared and that you can help by keeping students away until the chickens/Gus/Larry feel safe.

You may notice at home that your pet is happy, so be happy too!

Make sure you are **empathetic** to others and then, hopefully, they will be **empathetic** towards you!

---

What’s Happening In Art?

The Art Studio will be open TUESDAY LUNCHTIMES for any budding artists to come and create their masterpieces. The students thoroughly enjoy construction activities and if any parents would care to donate boxes (not really large cardboard types) or useful bits and pieces - please drop them into the art studio and say hello or leave them at the door. If anyone has contacts in the printing industry we are always after paper for free drawing time or large sheets of paper to cover/protect the table tops.

I will be needing soft drink bottles (1.25 litre size) for 250 students in the next 2 weeks to create puppets – if you can collect and drop off to the art studio I would appreciate your help. I cannot drink that much in the next 2 weeks!!!

If you think you have other useful contacts or resources for use in the art studio, please let me know.

**JUNIOR PHOTO COMPETITION** – to celebrate 25 years of volunteer work in Antonio Park

Level 3 and 4 students have been taking photographs with our school iPads in Antonio Park and if they wish to enter their photograph/s they must have an entry form completed by a parent/guardian. These must be ready by Wednesday, 26th February.

Level 2 students are using the iPads in our school grounds for their photography unit. Any Level 2 student who wishes to enter the Antonio Park Photo Competition must collect an entry form from me and take photos in their own time of Antonio Park (not our school grounds).

Level 1 students are working on self-portraits and drawing techniques.

Janet George (Art Teacher)
Tuesday Lunch time in the Art room
CLASSROOM HELPERS PROGRAM

As part of our Literacy Program at Antonio Park, a Classroom Helpers Program will be held in Term 1. The Classroom Helpers Program consists of four weekly sessions. The aim is to enable parents to help in the classroom during Literacy times, to know what to expect, and to feel confident in assisting classroom teachers. Parents who cannot help in the classroom, but would like to find out more about our Literacy Program are most welcome to come along.

The sessions will deal with speaking and listening, reading and writing, and the benefits associated with being a helper. Each session is expected to take one to one and a half hours. This is also a great opportunity to meet other parents in a casual setting. If needed, childcare can be provided.

The program will be held every Monday at 10.00 (following assembly) beginning 3 March, then 17 March, 24 March, 31 March. in the library.

Looking forward to working with you!
Jan MacDonald

Fete News

APPS FETE GOES LIVE

Yes, the fete website is up and well and truly running! Thanks to Tim Stuchbury for putting it all together for us! The website, at www.appsfete.com is your one stop shop for everything fete! From this site you can access the volunteer database and instructions, important dates, food handling and hygiene info, sponsors details, cake stall label template, newsletters, expense reimbursement forms, fete attraction details the list goes on and on! So, come on, no playing Minecraft tonight - log onto our website instead to have a squiz! And hey, while you are there you may as well volunteer to help out at the fete!

---

Camp Australia:

We have a busy week at before and after school care this week and have plenty of fun things to do.
Coming up this week:

Craft: Children have been loving their Hama bead creations this week, with children requesting it every day. We will also be doing sand art pictures and scratch art as well.

Outdoors: We have organised a cricket game on Thursday afternoon for everyone to participate in and children have been practising all week. We have also been playing on the playgrounds with some games of tiggy and also having free time outside.

Cooking: The children have been busy in the kitchen making a choc vanilla cake and peppermint flavored coconut ice, we also have popcorn, nachos and banana smoothies in the morning.

Indoors: This week everyone has been enjoying playing Chess and Checkers, Connect 4, Monopoly and Uno. The children have been busy with the Lego, making houses and people. They have been making cubbies and dressing up in the dress ups.

If you have any enquires or questions please call us on 0412 545 042 or 1300 105 343 or visit our website www.campaustralia.com.au
