Dear Antonio Park Families,

Our new junior playground has been built and the students are very excited! It has taken a whole school community effort to bring this to fruition. Our senior students and their families who helped to raise funds for our junior playground can see themselves as leaving a wonderful legacy. When students, parents and staff come together to work for a goal it creates a strong sense of community. The collective effort of raising funds for our new playground is one example of the many things we do at APPS to nurture community. Other events include our school fete, production, family picnics, Little APPS and whole school assemblies. Community activities such as these foster:

- **Connectedness:** Building a strong bond between all school community members (students, parents & staff) and with our wider community.
- **Relationships:** When people know each other better, the more aligned their expectations become.
- **Harmony:** Our children will be safer and happier if we are able to connect with each other.
- **Values:** When our school values of Empathy, Responsibility, Resilience, Independence and Confidence are shared and lived by us as adults in our school community they will be transmitted to the children. Our actions and interactions show children what we value.
- **Civics and Citizenship:** Children who see their parents making positive contributions to society are much more likely to do so themselves.

Congratulations to the following APPS student leaders:
- School Captains: Alex Mc., Jessica Z., Alex F. and Emily V.
- Environmental Leaders
- Junior School Council

All of these students except for 3NA were presented their badges at our whole school assembly on Monday. 3NA will be presented with their badges next Monday. We look forward to the many ideas, work and contributions they will make to our school.

Enclosed are photos of our leaders.

Karen Patten
Schedule 4  Notice of Election and Call for Nominations

An election is to be conducted for members of the School Council of ANTONIO PARK PRIMARY SCHOOL.

Nomination forms may be obtained from the school office and must be lodged by:

4.00pm on Thursday February 20, 2014

Following the closing of nominations a list of the nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for election are as follows -

<table>
<thead>
<tr>
<th>Membership category</th>
<th>Term of office</th>
<th>Number of positions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent member</td>
<td>From the day after the date of the declaration of the poll in 2014 to and inclusive of the date of the declaration of the poll in 2016</td>
<td>4</td>
</tr>
<tr>
<td>DEECD employee member</td>
<td>From the day after the date of the declaration of the poll in 2014 to and inclusive of the date of the declaration of the poll in 2016</td>
<td>2</td>
</tr>
</tbody>
</table>

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

If more nominations are received than vacancies, a ballot will be conducted.

Principal
Food Allergy Awareness

As we all know, the amount of children with allergic reactions is increasing at an astonishing rate in today's society. At Antonio Park Primary School, we are constantly updating our alert procedures and our training so that we can provide the best possible care for all of our students. The start of the year is a good time to refocus community attention to the serious nature of allergies with a quick review on allergies and anaphylaxis:

Anaphylaxis is a severe and sudden allergic reaction when a person is exposed to an allergen.

Common allergens for children include:
Eggs, peanuts, tree nuts such as cashews, cow's milk, fish and shellfish, wheat, soy, insect stings, medications.

Symptoms include:
- noisy or difficult breathing including wheezing or persistent coughing
- swelling of the tongue
- swelling or tightness in the throat
- difficulty talking such as a hoarse voice
- loss of consciousness and/or collapse
- pale pallor and floppiness in young children.

Here at Antonio Park P.S. we implement strategies and processes to ensure a safe and supporting environment for students at risk of anaphylaxis. Students and parents in each class with an anaphylactic student will have been notified by letter of the strategies in place to reduce the risk of exposure to anaphylactic triggers. At Antonio Park P.S. we have:
- an anaphylaxis management plan for each student diagnosed at risk of anaphylaxis
- prevention strategies covering incidents in the school setting
- an anaphylaxis policy
- regular training and updates for school staff in recognising and responding to anaphylactic reactions including competently administering an adrenaline auto-injector (such as EpiPen®/Anapen®).

If you have a child who has an existing Anaphylaxis Action Plan or Allergic Reaction Action Plan at school, please check when the plan expires as they are only current for 12 months. If the plan is due to expire, take the opportunity to organise an updated plan to give to your child’s teacher at your parent/teacher discussion.

Please note: Action Plans are colour coded for easy identification and your doctor must give you a coloured, signed plan, not a black and white photocopy. The school will attach a current photo.

Anaphylaxis – RED  Allergies – GREEN

Medication at school

If medication needs to be administered to your child during school hours, you will need to fill out a medical authority form which details written advice providing directions for appropriate storage and administration. This form can be collected from the office. The medication must be:
- in the original bottle or container clearly labelled with the name of the student, dosage and time to be administered
- within its expiry date

We encourage parents/guardians to consider whether they can administer medication outside the school day, such as before and after school and before bed.

If you have any questions about our processes and policies regarding allergies and anaphylaxis or medications, please contact me at school. Have a great week!

Annette Hayes
A big thanks to all parents who have donated a box of tissues to level 2. We are all stocked up and ready to go for when the weather starts to get chilly!

In maths this week and next we are looking at skip counting and place value. Any real life skip counting experiences that you child could undertake such as counting money by 2s or 5s or 10s would be really beneficial.

Our recount writing is coming along and every class is moving along the Antonio Park six stages of writing. It’s great to see all level 2s using their red and green pens to edit and revise their own work.

Just a reminder that our information night is this Monday starting at 6.30pm in the hall.

Have a great week,
The Level 2 Team

What’s Happening In Level 1?

Please see the Prep newsletter for ‘What is Happening in Level 1?’

What’s Happening In Level 2?

---

EDUCATION MAINTENANCE ALLOWANCE
E.M.A.

Eligible parents may apply for an education maintenance allowance at the school their children attend.

To be eligible for the first instalment a parent must hold a current Centrelink Pensioner Concession or Health Care Benefit Card, or a Veterans Affairs (TPI) pensioner card, or be a foster parent as at the first day of Term 1, (January 30, 2014).

If your family is eligible, and you have not already received an application form from your child’s teacher, please collect an application form from the office, complete and return by Friday, February 21.
We are off and running in Level 3. There is such a lovely buzz of learning and activity in all the classrooms.

The swimming sports went off with a splash. The excitement and cheering made for a fantastic day. A sea of green, yellow, blue and red gave great support to all the competitors. It was great to watch swimmers of all abilities having a go and trying hard for their houses.

We are all excited about our Week 4 excursion to the museum. A big thank you to all the parents who are coming along to help out on the train journey and at the museum. The students will be investigating questions in relation to our Inquiry topic ‘What is a Cooperative Community?’. They will visit the Melbourne and Indigenous Australian exhibitions along with other areas. It is great to see so many people have paid for this excursion, keep the permission envelopes and payments coming in.

The Level 3 Information Night is at 7pm on the 18th of February. It is a great opportunity to find out about our learning programs and camp. We will have an information session on the deck followed by some time in your child’s classroom. We look forward to seeing as many Level 3 parents there as possible.

A big welcome back to Mrs Arundel! It is lovely to have her and her new ‘bling’ in Level 3.

Have a great week,
The Level 3 Team
**Inter School Sport**
Friday morning is the first round of inter school sport. It is really important that all students are at school on time as away teams must be on the bus as close to 9am as possible. Given our hot weather students need to ensure that they bring a drink bottle filled with water, a school approved hat and have sunscreen on. Finally, we must say a huge thank you to the parents who have kindly offered their time to help out with, and support the teams. Let’s get out there and have some fun!

**Tissues**
We go through a lot of tissues throughout the school year. If you haven’t already done so, it would be fantastic if you could send along a box of tissues to ensure we always have some available. Thanks you to all the families who have already done so.

**House Swimming**
A great day was had by all at the house swimming yesterday. Being in the water certainly made the heat more bearable! It was fabulous to see so many students getting in the pool ‘having a go’ and achieving some great results. Well done to those who have made it through to district.

**Buddies**
This week a bunch of excited Level 4s eagerly met their new Prep buddies. They had lots of fun sharing little bits of information about themselves and getting to know each other. You can check out some of their work on the walls in the hall.

**House Captain**
Last Friday Level 3 and 4 students came together in their houses to listen to some fantastic speeches and to vote for who they would like best to represent them as their house leaders. Our new House Captains will be presented with their badges at assembly this Monday.

**Level 4 Notice Board**
Keep yourself up to date on all current sporting and High School information by checking out the Level 4 notice board outside 4CH’s room on a regular basis.

**Family Life**
There has been a change of dates and all family life sessions will be held in March not in February as previously stated. Correct dates will be sent out closer to the time.

**Information Night**
Looking forward to meeting families and strengthening the connection with grade 6 families at information night on Monday 17th of February.

The Level 4 Team
Bonnie, Christine, Clive, Karen and Rachel

---

**WHAT’S HAPPENING IN PE?**

**INTER-SCHOOL SPORT**
Grade 5 & 6 students commence their inter school sport this Friday morning. Parents please make sure you have signed their permission envelope and have returned it to the classroom teacher. I would like to thank the parents who have offered to assist with coaching and supervision of some of our teams.

Below is the fixture for Term 1. Students have a more comprehensive one on display at School.

Round 1 Fri 14/2 vs Great Ryrie
Round 2 Fri 21/2 vs Ringwood North
Round 3 Fri 28/2 vs Warranwood
Round 4 Fri 7/3 vs Holy Spirit
Round 5 Fri 14/3 vs Bayswater North
Round 6 Fri 21/3 vs Kalinda
Round 7 Bye
Round 8 Fri 4/4 vs Croydon Hills

**DISTRICT SWIMMING SPORTS**
Congratulations to the following students who will represent the School next Monday at the Tintern Pool in the following individual events:

10 Year Boys: Oscar W, James P Freestyle and Backstroke
10 Year Girls: Chantelle U Freestyle and Butterfly, Claudia J Freestyle
11 Year Boys: Ben C, Josh P Freestyle and Backstroke
11 Year Girls: Georgia G Freestyle and Backstroke, Georgia W, Olivia J Freestyle
12 Year Boys: Harrison Frogley Freestyle and Butterfly, Oscar K Backstroke
12 Year Girls: Eboni M, Sasha T Freestyle and Breaststroke

**GOOD LUCK TO ALL OF OUR TEAM**

Darren McMenaman
Phys Ed

**A message from our School Council President**
Welcome back to an exciting 2014.

With the beginning of the new school year I’d like to take the opportunity to welcome back all of our families.

A special big warm welcome to all the new parents and first time families who are now at our school, - most of whom will be in the prep ranks. It is really hard for me to think back 6 years ago when our family embarked on the Antonio Park journey. I look forward to meeting you in the near future.

At the beginning of the year the school community again goes down the path of putting on our annual school fete. This is great time when we all come together to work as a team to support, encourage and show what a fantastic school community we have.

This year I would encourage you to get involved and participate in not only the school fete but other key community activities the school runs throughout the year. There are a numerous array of activities and help and assistance is always appreciated. If you would like to participate please approach the person running the activities or contact the office who can put you in touch with the right person.

Tim Stuchbery
House Swimming
CLASSROOM HELPERS PROGRAM

As part of our Literacy Program at Antonio Park, a Classroom Helpers Program will be held in Term 1. The Classroom Helpers Program consists of four weekly sessions. The aim is to enable parents to help in the classroom during Literacy times, to know what to expect, and to feel confident in assisting classroom teachers. Parents who cannot help in the classroom, but would like to find out more about our Literacy Program are most welcome to come along.

The sessions will deal with speaking and listening, reading and writing, and the benefits associated with being a helper. Each session is expected to take one to one and a half hours. This is also a great opportunity to meet other parents in a casual setting. If needed, childcare can be provided.

The program will be held every Monday at 10.00 (following assembly) beginning 3 March, then 17 March, 24 March, 31 March, in the library.

Looking forward to working with you!
Jan MacDonald

CLASSROOM HELPERS PROGRAM

Name____________________________________

I am interested in attending the Classroom Helpers Program

I will require Childcare for _______________________.

The Level 1 students have been having great fun using interactive rolls on their interactive whiteboards at the beginning and end of each day. It is a quick way for students to show their teacher who is at school and who is away. They simply press a picture of their face or name to reveal a clipart picture underneath. It is a fun and exciting way of marking the roll!

Here are some photos of the Level 1 students using their interactive rolls.
Hello everyone, we hope you are all having a great week

This week we have lots of fun activities ahead:

Craft: We are getting creative this week with lots of Valentine’s Day Craft, making hearts and flowers, cards for all the special people in our lives, and any ideas that the children have we love to hear them.

Outdoors: The children have been enjoying the new playground using their imagination and role playing, children have also been using the basketball court, and of course cricket is popular amongst a lot of the boys.

Cooking: This week we have lots of yummy treats, we have green jelly, chocolate balls, marble cake and for a breakfast treat, banana smoothies.

Indoors: Monopoly has been a great game for the older children to play and have been teaching the younger children as well, the card game spit has also been a popular game this week. Children have been enjoying mobile construction and also Lego too.

If you have any enquires or questions please call us on 0412 545 042 or 1300 105 343 or visit our website www.campaustralia.com.au

WORKING BEE
SUNDAY 16TH FEBRUARY 2014
9.00 – 12 midday

We have 4 working bees each year (one per term) and they are usually garden focussed however over the last few years we have accumulated a lot of furniture, production props, paint and bits ‘n pieces and so it is now time to have a spring clean and either dispose of, or store appropriately, excess articles.

Therefore our first working bee this year will be a little different. We are going to hire a skip and have a good tidy-up. Some of this work may be heavy and dirty.

Of course there is always general gardening to do and all the plants would love a drink!

Hope to see you there
BUILDING & GROUNDS COMMITTEE

Fete News

Are you able to help?
Can you, your work, your family/friends help by DONATING a prize (goods or services) for the Silent Auction on Fete day.

All businesses donating a prize will be advertised on the day and mentioned in the newsletter throughout the year which is read by over 300 families.

If you are in a position to help or have any ideas, please contact Rachelle Noble 0417 384 642

Walking School Bus

Walking School Buses Ready to Depart...

The Burnett Street Bus is ready to depart every morning from next Monday 17th February. You must complete the Parent Permission and Medical Details Forms before you can join the bus without your parents. We are looking for more "drivers and conductors" however to help us walk 16+ students to school safely each day. The Walking School Bus operates on a 1 adult to 8 children ratio so, the more adults, the more children we can have enjoying the walk to school and reaping the benefits of exercise and being ready to start learning at 9am.

If you live in the Brunswick Road or Wattle Valley Triangle area, we need you. We would love to keep these routes operating so that we can have continued assistance from Whitehorse Council with the Walking School Bus Program. The Council supports us with things such as First Aid Training, First Aid Kits, Identification bands and Volunteer’s Insurance. Volunteering is a great way to "give back" to the community and show our children how to be active participants in society. One morning a week, joining your child on a walk to school is all that is needed.

Not sure if the Walking School Bus is for you? Feel free to meet us and walk with your child to try it out.

If you would like to join any of the buses please contact Kaisha Gurry (Ella 4BR, Riley 3KT and Maya 2JS) at mickandkaisha@hotmail.com or 0416 135 247. Expression of Interest Forms are also available at the school office.

Café Antonio

Please note that the Café has a new price list effective from the start of this year.

There are lunch menus available at the office or on our website.

The current PAG committee stood down at the end of 2013. After 3 years, the last 2 as convenor of the PAG committee at school council it is time to hand over the reins. We have tried to make our fundraising efforts lots of fun for everyone involved and had plenty of laughs along the way. We started out as a group of Prep Mums, looking to get involved with the school community.

For this worthwhile committee to continue in 2014 we look to our school community members to apply for a position on school council and take on the role as convenor. The current committee have shared the various fundraising activities with each of us taking the lead on different events. This way the workload is shared and gives us the opportunity to try different fundraising ideas which are of particular interest to each of us.

I look forward to supporting the fundraising efforts of the new PAG committee this year and many more years to come.

Please contact us if you would like to find out more about what is involved, or have any other questions at appsPAG@gmail.com or catch up at school. Maybe we could even go out for a coffee, that’s the kind of committee we are, fun and fundraising!
Aussie of the Week Awards

2BC  Keira
For setting an excellent example at the start of the year Congratulations!

2CC  Orik
Welcome to Antonio Park. Well done on a great first week. Keep up the great work.
Lily
For being an independent and responsible member of 2CC. It is great to see you always helping others. Fantastic Work!

2BW  The students of 2BW
For welcoming me back to APPS and for working responsibly while I was away.

2CN  James
For a wonderful start in Level 2. I love your positive attitude James. Keep up the good work.

2JS  Maddie
For being a caring and responsible mentor to our new classmates.

2LM  Charlotte
For making an excellent start to Level 2! It’s great to see you smiling and enjoying your new class.

2MN  Emily
For settling in so well this year and always coming to school with a huge smile on your face.

3AB  Callum F
For diligently working to produce his personal best whilst being a responsible role model for the class!

3DH  Billy
For making a fantastic start to Level 3 with his friendly classroom manner and for always giving everything a go. Top job Billy!

3KT  Mitchell
For your sensational start to year 4. You have shown responsibility, respect and confidence. Well done superstar!

3JD  Helen
For displaying a ‘have a go’ approach and bravery when speaking in front of your new friends in 3JD. Well done!

3RM  Leila
For her fantastic first week in 3RM. It feels like you have been at APPS for years! What a great start.

4CH  Spencer Mc D
For having a great start to the year, showing the ERRIC values and working really well.

4BR  Isabella B
For a wonderful start to Level 4! You have set the bar high for the rest of our team. Keep up the excellent work.

4CE  Elijah A
For having a fantastic ‘can do’ attitude. You’ve given every task your best effort and with a smile. Keep up the great work.

4KD  Darcy
For a fantastic start to the year. You have shown excellent sportsmanship and resilience, as well as working hard in class.

4RF  Mitch B
For confidently sharing your thoughts and ideas with the class in such a responsible manner. What a great start to Level 4 Mitch!

Performing Arts
Alica R
For a great start in our Performing Arts classes. Thank you for joining in so joyfully in our first song!

Hi, my name is Sarah and my son just started Prep at Antonio Park. I also have my other son at Heatherdale Kinder, so I know what it is like to be a busy mum with not much time for anything - least of all exercise. I am a personal trainer and operate Inspire Fitness. I have just started group fitness classes in Antonio Park right next to the school. You will see us there on Monday’s, Tuesday’s, Thursday’s & Friday’s - we are the ones sweating and huffing and puffing but most of the time we have smiles on our faces. The workouts are fun, dynamic and challenging - plus you get to workout with some awesome fun people. These classes are for all types of people with all different fitness levels. (You don’t have to get fit to then come and join the classes) For the school community I am offering you a complimentary first session. So no more excuses... it’s your time to say a big YES and do something for you. Oh I made it so kids are no excuse either because you can bring them - big and small.
