Excerpt from our 2013-2016 Strategic Plan Continued……

ERRIC is the symbol for our school community’s values. APPS has a culture where-by staff, students and parents are expected to demonstrate behaviour that reflects these values.

The strong partnership between home and school is seen as the foundation of successful learning for all children. Through our school values of empathy, responsibility, resilience, independence, and confidence, children are encouraged to develop a sense of wellbeing and are supported in developing healthy relationships with others. They are encouraged to be independent, accept increasing responsibility for their learning and to do their best. Their successes are acknowledged in many ways but no more so than through our weekly assembly where achievements of our students, staff and parents are recognised and celebrated.

What’s Happening In Level 2?

Level 2 has had a great start to 2013. We have been getting to know each other and setting some wonderful goals for the year. This week we are beginning our inquiry unit, ‘We’re Sensational’ where we focus on the five senses. If you have any books on this topic that the students can share we would really appreciate it.

This week the Level 2 team have sent home an information booklet regarding everything that happens in Level 2. We encourage you to read the booklet and if you have any questions regarding the content of the booklet, Level 2 teachers will be available on Monday 18th February from 3:45pm-4:15pm.

For the next two weeks we will be learning about Place Value. There are some very good interactive games to play with the students. For example: http://www.ictgames.com/sharkNumbers_v2.html

We have also been working on skip counting by 2s and 5s. The students have been counting, fingers, hands, eyes, ears and students etc. Have a go at challenging your child to skip count objects around your house like books, chairs, cups and lego blocks etc. Thank you to all the families that have brought in a tissue box for the classroom.

Have a great week

The Level 2 team.

What's Happening In Level 3?

Level 3 students and teachers had a fantastic time at our House Swimming Sports on Wednesday. The students who competed did a fantastic job and everyone was very impressed with their skills and sportsmanship. It was terrific to see spectating students cheering on their fellow peers and enjoying an exciting and fun filled day!

Take home reading is starting this week. Your child should be bringing their books and reading log home and begin to complete their first weekly entry. By doing this program, we want to try and maintain your child’s enthusiasm for reading and inspire your child to be passionate about literature!

This week the Level 3 team have sent home an information booklet regarding everything that happens in Level 3. We encourage you to read the booklet and if you have any questions regarding the content of the booklet, Level 3 teachers will be available on Tuesday 19th February from 3:45pm-4:15pm.

The Level 3 team.
Reading Expectations.
The Level 4 home reading expectations is that every child is reading for 20 minutes per night unless other commitments or engagements make this too difficult to achieve.

Homework.
NEWS FLASH: Homework starts next week for Level 4 students. Homework sheets will be handed out on Wednesday of each week and needs to be completed and returned by the following Tuesday.

Grade 6 Jackets.
The final design and wording for the jacket has been completed. Names will be added and then sent off to the manufacturer to make. Hopefully this won't take too long.

Buddies.
Our buddy program commenced this week and the students were really excited to be meeting their new Level 1 buddy. Activities will normally take place every 2nd Tuesday.

Thanks you!
Level 4 Team

What’s Happening In Level 4?

Interschool Sport.
Our first match was today against Warranwood. Everyone needs to check the Sport’s notice board to determine whether they are in a team and where they are playing or if they are in the group of Year 5 students who will be working on skills with Mr Mac at school. All Interschool sport permission forms should be returned and unfortunately we cannot include any student who has not returned this form. The Bus Levy payment for other sporting activities throughout the year is due by the 1st March. Thank you for your understanding in regard to these permission forms and charges. We would also like to sincerely thank the parents who have offered to assist with teams which will greatly assist the teachers.

Parent Information booklet.
This week the Level 4 team have sent home an information booklet regarding everything that happens in Level 4. We encourage you to read the booklet and if you have any questions regarding the content of the booklet, Level 4 teachers will be available on Monday 18th February from 3:45pm-4:15pm.

CLASSROOM HELPERS PROGRAM

As part of our Literacy Program at Antonio Park, a Classroom Helpers Program will be held in Term 1. The Classroom Helpers Program consists of four weekly sessions. The aim is to enable parents to help in the classroom during Literacy times, to know what to expect, and to feel confident in assisting classroom teachers. Parents who cannot help in the classroom, but would like to find out more about our Literacy Program are most welcome to come along.

The sessions will deal with speaking and listening, reading and writing, and the benefits associated with being a helper. Each session is expected to take one to one and a half hours. If needed, childcare will be provided.

The program will be held every Monday, following assembly, at 10.00 beginning February 25 in the library.

Looking forward to working with you!
Jan MacDonald

Words for Wellbeing

A Peace Maker is a student trained in peer mediation who helps students find reasonable solutions to their problems.

The Peace Makers are a very important part of student wellbeing at APPS and this group of wonderful Level 4 students will start their 2013 roster next week. The role of the Peace Makers is two fold:
- To mediate disagreements
- To mediate harmful situations

Peace Makers have been trained how to mediate situations. It is not their role to solve problems but to help the parties involved to come to an agreement. This agreement is documented and given to staff for future reference.

Situations Peace Makers CAN help with:
- Borrowing other people’s belongings
- Talking badly behind someone’s back
- Friendship problems
- Name calling
- Misunderstandings
- Sharing of playground equipment

Situations Peace Makers NEED TO REFER TO A TEACHER:
- Physical fights and violence
- Bullying
- If a school rule is broken
- If you feel one person is frightened of the other person
- If someone is hurt and needs first aide
- If there is damage to school property
If Peace Makers are approached by a student in regards to the above issues they will take the student to find the teacher on Yard Duty and hand over the situation.

Congratulations to those students who have been trained as our 2013 Peace Makers – we know you will do a wonderful job of supporting all of the students at Antonio Park!

CODE OF CONDUCT / RESTORATIVE PRACTICES BOOKLETS
This week the Wellbeing team sent home a copy of the APPS Student Code of Conduct and Restorative Practices Information Booklet to each family. We value a strong home/school connection and these documents are designed to keep you informed of not only the values and expectations of our students at APPS, but also the Restorative Practices approach we implement on a daily basis. Please read over the documentation – we encourage you to use the language and examples outlined when discussing your child/children’s day and progress at school.

Have a super week!

The Wellbeing Team

**WALKING SCHOOL BUS 2013**

Thank you to the parents who have offered to join us on the Walking School Bus this year. We have lots of new children and parents joining us. The Burnett Street bus should be ready to start on Monday 18th Feb and will walk every morning. Once you have received a phone call from Kaisha to confirm receipt of your forms you may join the Walking School Bus. We have a number of children wanting to walk on the Brunswick Road route, however at this stage there are not enough parents to walk with them. We need two more parents to offer to walk to get started this year. The Wattle Valley Road bus will start again this year, beginning with one day per week. If you are interested in joining any of the buses then please contact Kaisha Gurry, 0416 135 247 or mickandkai-sha@hotmail.com. Thank you.
There was a recent article in The Age newspaper that proves craft is COOL and popular so you can hold your head high and stride proudly over to join us while we whip up outstanding craft items for the school fete.

We are constantly on the lookout for contemporary craft ideas, so please come and share them with us over a coffee and chat. Your level of involvement can be casual assistance or donating finished craft treasures produced by you in the peace of your own home.

If you’re new to APPS, come introduce yourself. Small children are welcome, even if they eat all the chocolate biscuits.

For 2013 we would appreciate donations of:
- Empty baby food jars with lid
- Empty salsa food jars with lid
- old APPS winter and summer girls uniforms – as soon as you can, so we can start sewing.
- old crayons, bright colours preferred, in any condition
- brightly coloured woollen jumpers, no acrylic, any pattern
- balls of real wool, not acrylic

Please leave them with the Office staff.
