Dear Antonio Park Families,

Welcome back everyone!!!! I would like to welcome all our Foundation students for 2015 and the following students who have joined us in other year levels, Josiah and Nathan S, James and Samuel C, Aidan V and Aasma K. We also extend a warm welcome to all of their families. I would also like to welcome Tim Howarth who is joining us as our Assistant Principal and Ashlea French who is returning from leave.

I have been impressed with all staff for the excellent preparation and commitment to ensure our students have a great start to the school year. All of the students and especially the Preps, have settled in brilliantly. Visiting all of the classes, chatting with the students and staff, everyone looked refreshed...batteries well charged for another great year.

Cheers and Tears

Last Thursday, it was lovely to see our mums and dads join us in the library to celebrate the start of their child’s schooling at APPS. All of our Foundation students have settled in well and there were lots of smiles on everyone’s faces.

Schedule 4  Notice of Election and Call for Nominations

An election is to be conducted for members of the School Council of ANTONIO PARK PRIMARY SCHOOL. Nomination forms may be obtained from the school and must be lodged by 4.00 pm on THURSDAY February 19th 2015.

Following the closing of nominations a list of the nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for election are as follows –

<table>
<thead>
<tr>
<th>Membership category</th>
<th>Term of office</th>
<th>Number of positions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent member</td>
<td>From the day after the date of the declaration of the poll in 2015 to and inclusive of the date of the declaration of the poll in 2017.</td>
<td>4</td>
</tr>
<tr>
<td>DEECD employee member</td>
<td>From the day after the date of the declaration of the poll in 2015 to and inclusive of the date of the declaration of the poll in 2017.</td>
<td>2</td>
</tr>
</tbody>
</table>

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

If more nominations are received than vacancies, a ballot will be conducted.

Karen Patten
Principal
Hello and welcome to 2015 Appsians!!

It's great to get started on another year of exciting teaching and learning here at Antonio Park P.S. At the beginning of the year it is always relevant to remind community members of the strong leadership program we have here at APPS. The purpose of our Leadership program is:

- To give all students at Antonio Park the opportunity to participate in student leadership.
- To foster and develop leadership skills in students at Antonio Park Primary school.

As well as School Captains and School House Captains, there are opportunities for the students to nominate for Junior School Councillors (JSC), Environmental Leaders and Peacemakers.

**Junior School Councillors (JSC):** one student for Semester 1 and one student for Semester 2 from each class. Responsibilities of these students include: acting as a role model for other students, being a representative on the Junior School Council, fund raising activities, reporting back to class from meetings etc.

**Environmental Leaders:** (students who have an interest in the environment) one student for Semester 1 and one student for Semester 2 from each class. Some duties required of these students include: acting as a role model for other students, assisting the Environmental Committee by representing the school's environmental program and sharing their knowledge of it to visitors, encouraging class members in environmental issues, participating in environmental duties, e.g. emptying bins into compost etc.

**Peacemakers:** Duties involve patrolling the school ground at recess and lunchtimes when rostered on to help other students resolve minor conflicts peacefully.

How students become JSCs, Environmental Leaders or Peacemakers:

1. Students who nominate for JSC and Environmental Leaders give a short speech to their own class and cast a secret written ballot. The teacher counts the votes and notifies the class of the successful candidate for JSC and Environmental Leaders. Later in the year the same process will be followed to nominate Semester Two JSC and Environmental Leaders. This is to give those students who may have felt less confident at the beginning of the year time to develop more confidence to take on a leadership role.

2. JSC and Environmental Leaders may nominate in Levels P – 2 once and Levels 3 – 6 once. Therefore they will have a total of 2 opportunities to take on a leadership role in each of the Junior and Senior Levels. (They could have up to 4 leadership roles during their time at APPS) There is no stipulation what role they take on over their time at APPS. They can be a JSC twice or a JSC once and an Environmental leader another time.

3. Students from grades 4-6 who volunteer to be Peacemakers take part in a full day training program at the beginning of the year.

Leadership programs create opportunities for students to take responsibility and be involved in decision making through leadership initiatives and Junior School Council. So encourage your child to have a go and nominate as an APPS leader!

Wishing you a wonderful week!

Tim and Annette

**What’s Happening in Level 1?**

Please see the Level 1 newsletter distributed each Thursday.

**What’s Happening in Level 2?**

Welcome back everyone!

It’s been a busy week in Level 2 with all classes getting to know each other and getting into all the new routines that make up Level 2!

We have been looking at Days, Months and Seasons in maths this week and next week we are focusing on place value.

All classes have begun our first writing genre of the year, Recount writing. It has been great seeing all the students planning their writing piece on their school holidays.

Have a great week.

The Level 2 Team.
Welcome back to Level 3 families old and new.

We have had a terrific start to 2015. All the students have settled in well to Level 3 and there is a calm and happy atmosphere around the deck.

Swimming Sports

The swimming sports will be held on Thursday 12th February. Students are expected to attend but do not have to swim. However students often want to have a go once they get to the pool and everyone who swims scores a point for their team. We have a fabulous day cheering on our teams, swimming and chatting on the bus.

Some things to bring to school

- a family photo
- a tissue box
- payment and permission envelope for the swimming sports
- portfolios from last year to show your new teacher
- a Visual Art Diary for art lessons (these can often be purchased from $2 shops)
- art smocks and library bags
- communication wallets
- drink bottles and fruit

We are looking forward to a great year of learning.

The Level 3 Team
Welcome to Level 4 for 2015! We hope that you have found some time to relax and enjoy your Summer break and are refuelled ready for our year ahead.

Level 4 is a great part of primary school and we have many exciting things happening throughout the year. To keep track of all current events please ensure you check your child’s diary regularly as a lot of our communication will go through here, as well as the school newsletter and also the noticeboard outside the Level 4 corridor.

**Interschool Sport** – this will begin in next week on Friday the 13th February. Students will need to return their money for the Sports Levy and permission to attend.

**House Swimming Carnival** – as part of our sports program all Level 4 students have the opportunity to compete in our House Swimming Carnival. The cost of the carnival is $3, the bus component is included in the sports levy. This will take place on Thursday 12th February. Students are encouraged to come to the event in their house colours, a note with specific detail will be forwarded shortly.

**Camp** - We will be heading to our nation’s capital, Canberra early in term 2 and have some exciting activities planned. You all should have received a note regarding this last year and we thank you for organising the deposit payments so promptly. If you have any difficulties with payments please do not hesitate to contact Karen Patten or Annette Hayes so we can help to ensure all students attend the event. It is important that we have everyone attend as it is a wonderful opportunity for students to consolidate and establish friendships. It is also a huge part of our inquiry unit and all class work will be based around this trip.

**Homework** – Homework is due tomorrow. Please ensure you student has completed the tasks required and brings their homework book back to school on Friday morning.

We have asked students to take home their pencil cases to label their supplies, this makes it much easier to find owners when things go missing. Grade 6 jumpers also need to ensure they have a name and grade. They are such a special reminder of a student’s last year at primary school and it would be a shame to go missing without an owner.

We are all looking forward to a great year, our Level information night is coming up in a few week on Wednesday 18th so any general level questions can be answered then. If however, you have anything in the meantime we can help you with please do not hesitate to come and see any one of us.

Level 4 Team

**What’s Happening in PE?**

INTER-SCHOOL SPORT 2015
As in the past, Grade 6 students have preference in team selection in Terms 1 and 2. However, after topping up the team numbers from Grade 5 students we will still have extra students not in teams. We believe all Level 4 students should have the opportunity to participate in inter-school sport and this will happen on a rotational basis with some playing in Term 1 and the others playing in Term 2. Students not selected in teams each week will also be involved in a sport session at school.

The primary schools in our Ringwood North District are: Croydon Hills, Donvale CC, Good Shepherd, Great Ryrie, Holy Spirit, Kalinda, Ringwood North and Warranwood.

Information will be included in the Newsletter each week once the fixture has been confirmed. In Term 1 games are played first thing on Friday mornings due to our Sunsmart Policy. In Term 2, games are played in the afternoon commencing at approximately 1.20pm.

Also be aware that an important notice regarding the Level 4 Sports Bus Levy will be sent home this week. You will notice a reduction in the Grade 5 contribution due to the arrangements mentioned above.

HOUSE SWIMMING SPORTS 2015
These are to be conducted on Thursday 12th February at the Tintern Grammar Swimming Pool from 9.20 am until 1.20 pm. A notice has been sent home with all details for Level 3 and 4 students who will be participating. Permission envelopes and money needs to be returned to school by Friday 6th February (tomorrow).

DISTRICT SWIMMING SPORTS 2015
For students wishing to participate at the District Swimming Sports at the Tintern Pool on Monday 16th February, the following details must be sent to me by Friday 6th February.

I require parents of students who turn 10, 11 or 12 in 2015 to put in writing their child’s best time for 50 metres in any or all of the following strokes, freestyle, backstroke, breaststroke or butterfly.

Students can only compete in two individual events so please nominate preferences.

I will select our district representatives from the information I receive in relation to the qualifying times I have been given.

With our House Sports being so close to the District Sports, the team needs to be selected earlier to cater for communication with parents regarding events and personal transportation arrangements to the Tintern Pool.

There are 3 Walking School Buses at Aronimo Park.

Expressing interest in joining the bus - Expression of Interest

ANTEOIO PARK PRIMARY SCHOOL WALKING SCHOOL BUS
1. **What is a walking school bus?**
A walking school bus is a group of students walking to school together with the supervision of volunteers. Literature says that children up until the age of 10 do not have the spatial awareness and road savvy to walk independently along our busy streets. On the other side, our children face the real possibility of being less active, obese & living in a car driven society. Walking school buses began in England and are now actively supported by VicHealth and the City of Whitehorse.

2. **Do you have to start at the beginning of the route?**
No. The bus takes a certain route with bus stops along the way to drop off & pick up children. There is a roster that the volunteers have to ensure all children are accounted for.

3. **How much does it cost?**
Nothing. We are fortunate that the City of Whitehorse provide funding for equipment, training of volunteers & promotional items for the children.

4. **If my child wants to be on the bus, do I have to walk as well?**
No. We would love to have more volunteers join but children are more than welcome to walk without a parent.

5. **What does being a driver/conductor involve?**
You are registered with the City of Whitehorse volunteer program and will be asked to have a Working With Children Check done. Volunteers attend an information session on the WSB program which also covers scenarios that may occur. This can be done at school in approximately 1 hour or in combination with a short first aid course at the Council. Driver involvement is dependent on you. You may like to only walk one morning a week or 2 afternoons. The roster is determined on how many volunteers we have.

6. **Can you join the bus at any time of the year?**
Absolutely. Ask at the office for an ‘Expression of Interest Form’ to join the Walking School Bus. Return this to your teacher & they will pass it onto the Walking School Bus Coordinator who will call to let you know when your child can start.

7. **How many children are on the bus?**
There can be a maximum of 16 children (including toddlers). As our bus is well supported we operate on a ratio of 1 adult to a maximum of 8 children.

8. **How do you make sure the children are walking safely?**
The WSB is seen as an extension of school and the behaviour expected at school. Volunteers are well supported by our teachers. It can take some children a while to get use to walking in a group but once they are settled in to chatting with their friends it is a pleasant walk home/to school. Simple strategies such as, no one walks in front or behind the 2 drivers and ensuring children are paired up & concentrating when crossing the road.

9. **Can Preps join?**
Yes. We have a number of preps walking. You will know whether your child is ready & are welcome to discuss this with your prep teacher or one of the volunteers. It is a great way for them to meet older children at the school. Prep teachers are very supportive – guiding children to go to the rotunda to catch the bus after school. We will not leave school until all the children rostered on to that bus are accounted for – that’s why it is important to let us know if you have picked your child up early or they are not on the bus that day.

10. **Do you walk in the rain?**
Buses are cancelled if it is pouring. Wet weather gear is encouraged to be carried in children’s bags in case we get caught in a shower. You will be notified by 8am if the bus is cancelled.

11. **How do I know what parent will be on the bus?**
Once your child has joined you will receive a roster and contact numbers of the volunteers. This allows you to contact us if your child is not walking that day.

Little A.P.P.S. Playgroup

Every Tuesday morning the little APPS Playgroup meets in the school hall from 9am—11am.

It is a great opportunity for your children to get to play with other children and for parent/carers to get to know each other over a cuppa.

Please come and join us.

If you have any questions please call Kylie 0401 101 737

Second Hand Uniform Shop

We would like to welcome Jane Beswick who has kindly volunteered as our new Second Hand Uniform Shop Co-ordinator. This service to the school community is a valuable one and we thank her for her time.

Wherever possible, the second hand uniform shop will be open on the first Monday of each month from 3-4pm in the hall foyer.

The next shop will run on Monday 9th February.

Please keep a lookout in the newsletter for the list of dates throughout the term.

The second hand uniform shop relies solely on donations - if you have any reusable items that you would like to donate please drop off at the office. Thank you to all the families who continue to donate. All proceeds go back to the school.

Camp Australia

We hope everyone enjoyed their holidays and are ready to get back into the new term.

What's on this week:

Craft: This week it's been all about painting and decorating fans to take home, we've also got Hama beads, which is always a favourite. Other crafts include box craft and using recycled materials to make and create whatever the children decide.

Cooking: The kids have been in the kitchen this week, they have made choc-brownie slice, honey joys slice and plenty more yummy treats to come.

Inside: Inside the cushions are always popular, with everyone coming up with so many different ways of using them, cubbies are the best choice. We also have lego which has been used to make amazing things, one child has even made a pirate ship with a lot of time and effort involved.

Outdoors: With the great weather we've been having, everyone has been loving going outside and being active, some of the popular games this week have been dodge ball, cricket and down-ball. Also the playground has been very popular with the younger children.

Lastly: Just a friendly reminder. We would like to ask all parents to please abide by the staff car park signs and keep it free between the hours of 7.30am and 5.00pm. Also in the interest of safety we ask that everyone please use the footpath as well. Thank you for your understanding.

Pupil Free Days

On The 12th and 13th of March are pupil free days, I have opened up those days so that parents can book in, we need at least 15 bookings to run each of the days, if we don't have enough we will give everyone at least a week's notice and no charge will be given. So please book in early.

If you have any inquiries or questions please call us on 0412 545 042, alternatively you can call customer service on 1300 105 343 or visit our website at www.campaustralia.com.au

Lost Property

After only one week back at school, we already have quite a few jackets in lost property.

We urge all families to label uniform items (particularly jumpers and jackets) so that the items can be returned to students.

Thank you
Violin lessons at school are taught by Trent Bunston, a qualified violin teacher with over 10 years' experience. Trent specialises in teaching Classical and Modern violin and designs learning programs tailored to each student's interests in order to maintain their motivation in learning. Trent's students also perform each term at concerts and external orchestral workshops to ensure they experience every opportunity that comes with learning the violin. Also, the advanced students are recruited for paid quartet performances through a private company: littlenotes.net.au

All lessons are held at school, during school hours, private (one-to-one) lessons, starting at $22 per lesson. Currently, there are two places available. New students are given a FREE trial lesson at which they receive a violin and music book to take home for a week so your child and yourself can find out if they are interested in continuing with weekly lessons. So if your child is questioning if they want to learn the violin why not give them a one-week obligation-free trial?

Please fill out the form below and return to the office if you wish to be contacted with further information:
