Dear Antonio Park Families,

Student Leadership
Congratulations to the following students who will be our Environmental Leaders for Semester 1:
Heath Fox, Madison Sandow, Maya Gurry, Will Serong, Allie Guillou, Zoe Mirikis, Niharika Hame, Caitlyn Whyte, Ashton Smith, Riley Costello, Asher Littlejohn, Chantelle Underwood, Amy Pearson, Peter Animikos, Keely Webb, Aisha Aly, Miriam Parker, Raphael Guevara, Madison Murphy, Phillip Ruggieri, Puneet Dhillon and Caitlin Clarke.

Assembly
Every Monday morning from 9:00 a.m. to approximately 9:50 a.m. APPS’s community gathers to observe important traditions, share information, celebrate achievements, sing and have fun. This week we had over 100 parents, grandparents and friends join staff and students...it certainly was a full house. Most weeks we have around 60 parents, grandparents and family members. At assembly the students are greeted with, “Salamat Pagi” (Indonesian for Good morning before 11:00 a.m.) and the students respond with, “Salamat Pagi, Mrs Patten teachers, parents and friends.” After the singing of our National Anthem, we:
* Presented Environmental Leaders with their badges
* Gave an environmental message about what we do well
* Presented Mathletics awards
* Presented ‘Starting School’ certificates to our preschoolers (it was lovely to see Mums and Dads proudly taking photos)
* Presented sports reports
* Announced animal duty news
* Celebrated birthdays
* Presented ‘Aussie of the Week’
* Watched a very entertaining singing/guitar performance by Patrick from Junior Rockers

2013-2016 Strategic Plan-an excerpt...
APPS’s Environmental Context statement in our Strategic Plan is a lovely overview of APPS’s history and current context:

Antonio Park Primary School (APPS) is located on the land of the Wurundjeri People – the original owners of the land. APPS opened in 1960 to address the educational needs of growing communities in the Ringwood and Mitcham areas. The initial enrolment of 217 is a contrast to the highest ever current enrolment of 488 in 2012, which is emblematic of the growth that has occurred. This growth has resulted in Eastern Metropolitan Region (EMR) placing an enrolment ceiling of 525 students for 2013. APPS now enjoys the results of the ten year building program.

APPS caters for the learning needs of students, the presentation of every classroom encourages curiosity and inspires learning and there is a respectful and positive relationship that exists between staff and students. APPS provides security for students, support for parents and encouragement for staff to continuously learn and improve. Learning spaces have been enhanced through having interactive whiteboards and increased ICT capacity to assist teaching and learning. The playground is a beautiful place with a strong emphasis on environmental education. It is attractively landscaped, neighboured by beautiful bush settings.

APPS is also proud of the range of playground equipment and sporting areas made available as well as the performing arts centre. Several community events are evidence of long standing traditions of this sense of community and of the mutual support between home and school.

Continued...
Annual events include Athletics Sports, Tour De Park, Swimming Sports, the Fete and the School Production. An excellent camping program is offered to all children from Prep (Foundation year) to year 6. APPS has a most successful Walking School Bus Program and a very popular play group for school families with pre-school aged children. Parent participation in the school programs can be seen by the large numbers of parents who assist classroom teachers each day during literacy and numeracy times, the number who assist with excursions, camps and the great support we receive with our school production. Our parent community and particularly our School Council are committed to improving the school, its grounds and facilities in order to help us provide the best learning environment possible for our students.

The school is arranged in four levels based around the VELS levels. Staff plan in teams using an Integrated Curriculum approach and programs are delivered through a 2-year inquiry based Curriculum Plan incorporating thinking skills. Classroom programs are supported by specialist teachers in Indonesian, Library, Physical Education, Visual Arts and Performing Arts. In addition support programs are offered in Reading Recovery and Additional Assistance. A wide variety of extra curricula activities including Aerobics, Choir, private music tuition, GATEways and Tournament of Minds ensure that there is something for every child. Parents are supported through programs such as Developing Literacy Partnerships, Numeracy Partnerships, Classroom Helpers and a variety of information nights on student wellbeing and classroom programs throughout the year. A strong Integration Program supports several students funded under the Department of Education and Early Childhood’s Disability and Impairment program through the appointment of several Integration Aides who work in conjunction with teachers and families to support special needs. Weekly Life Skills sessions are a feature of the integration program.

Karen Patten

Assistant Principals

Wellbeing at APPS

The Wellbeing program at Antonio Park Primary School comprises programs that aim to improve student engagement in their learning and develop in each student a sense of wellbeing and connectedness to school and their peers.

Part of our Wellbeing curriculum is a sequential program run by “Inside Out Education” that comprises three sequentially layered student workshops for students at the different curriculum levels. In this way the knowledge base is built on, and added to at each stage. Both role-play and explicit teaching are used in these presentations to make the sessions fun and energetic, as well as practical and informative. The students are involved as much as possible to maximize their learning.

Cool, Calm Kids (student workshop prep- yr 2)

This session teaches young children the foundations of assertive behavior and the dangers of certain types of reactions. The way children respond to teasing and bossy behavior is explored through developing social skills, body awareness and appropriate language to build resilience. Starting an education around this topic early has been shown to greatly influence behavior patterns as children get older.

Resilient Kids (student workshop yr 3/4)

This session teaches children to identify bullying behavior and to better understand its impacts on others. It equips them with strategies for assertiveness, resisting peer pressure and taking on pro-active bystander behavior. The program actively engages students in small group discussions and mini role-plays. Creating active bystanders has been shown to be the single biggest factor in reducing the level of bullying at schools and, as such, we bring a strong focus to it at this level.

Empowered Kids (student workshop yr 5/6)

This session further develops the ideas introduced in the “Resilient Kids” workshop as well as touching on cyber bullying issues. Using first a utube clip then a series of facilitated student discussion panels the program aims to engage students as deeply as possible in how they think about and approach this issue. The period leading up to and crossing into secondary school is a transitional phase where statistically bullying (whether that be physical, verbal or emotional) can be at its worst. As such this program will also be equipping them with some practical strategies to respond, as a bystander or a target, to this behavior in assertive ways.

The Preps participate in this program every year, whilst the Level 2, 3 and 4 students participate in their program every 2 years.

2013
Grade 1/2 Cool Calm Kids - March 6 Notice coming home this week!
Grade 5/6 Empowered Kids – March 12

Grade 3/4 Resilient Kids

GOODBYE DESKTOPS!

If you took a stroll through our Admin corridor this week you would have noticed the huge amount of computer equipment lined up along the walls. They are the hard drives, monitors, keyboards and accessories that make up our fleet of 90 desktop computers that have come to the end of their lease and are awaiting collection.

Thank you to our wonderful integration aides that worked tirelessly to dismantle, transport and stack all of this equipment – a huge, dusty job! (I think Mr Mac may have helped out a little too - thanks Mr Mac) They have been paid in chocolates, so are happy!
Hello Level 2 Parents,
We are all getting into our inquiry learning unit ‘We’re SENSE-ational’!
We are exploring our 5 senses and learning how they work. If you have any great resources at home please bring them in to share with your class! We are still working on place value and reading big numbers this week. Put us to the test and see how well we can read numbers up to 1000 and beyond!

Cool Calm Kids will be running for our level on Wednesday the 6th of March. Inside Out Education runs a fantastic program that helps young students in Level 2 to explore better ways to deal with conflict in a fun and energetic environment. Notices for this program went home yesterday; all Level 2 students will be participating. Please return the $4 and permission envelope to your child’s class room teacher as soon as you can.

Have a great week,
The Level 2 team.

**It would be greatly appreciated if every family could donate a box of tissues to their child’s class this year.

---

What’s Happening In Level 3?

We began our first buddy session on Monday and all level 2 and 3 students had a fabulous time getting to know their new buddy for 2013. We will continue to meet on a regular basis and complete activities together building a strong support network at school.

Thank you to the parents who came and asked questions in the classrooms on Tuesday afternoon, we hope this time was beneficial. If you require a time to meet with your child’s teacher individually, please arrange a date and a time with the teacher.

A reminder to parents that all students are required to have their communication wallets at school every day, this includes their reading journal and a book that they are currently reading. This is also a means of communication of notices and newsletters, so please encourage your child to remember it every day!

Have a great week.
Level 3 Team

**It would be greatly appreciated if every family could donate a box of tissues to their child’s class this year.

---

What’s Happening In Level 2?

Hello Level 2 Parents,
We are all getting into our inquiry learning unit ‘We’re SENSE-ational’! We are exploring our 5 senses and learning how they work. If you have any great resources at home please bring them in to share with your class! We are still working on place value and reading big numbers this week. What’s Happening In Level 1?

Please see the Prep newsletter for ‘What is Happening in Level 1’.

---

Cables – We certainly won’t be needing them anymore!!

---

It is amazing to see how fast technology moves as it was only three years ago when we got these desktops and thought how modern and innovative the flat screens and small hard drives were. Now we’re calling them dinosaurs!

We are now waiting on 132 brand new Lenovo notebooks to arrive to join our current fleet of notebooks. Hopefully they will be in the classrooms by the start of next term. I wonder what we’ll be leasing when we change these over in 3 years time? Wristwatch computers maybe? – cool…………………

Annette Hayes & Jan Mac
What's Happening In Level 4?

What a busy first few weeks it has been in Level 4! On behalf of all of the Level, we would like to thank Anne Breteler for her contribution to our team over the first three weeks. We have loved having you with us and look forward to seeing you again in Level 4. Also, a big welcome back to Karen Davis who has been having some family time – we are so happy to have you back with us and are sure 4KD are too.

Thank you to the parents who attended our information afternoon on Monday; we are happy we could answer some of your additional questions regarding Level 4. We look forward to working with all parents to ensure your students get the best out of their school experience this year. Please do not hesitate to contact your classroom teacher if you have any further queries.

Interschool Sport

What a fantastic start to our Level 4 sport program last Friday – it was wonderful to see all of the kids play in the spirit of the game and put in their best effort. Thank you to all of the parent helpers who assisted on Friday, we couldn’t do it without you!

Here are the results for our round against Warranwood PS:

- **Tee-Ball (open)** narrowly lost in a very close game, 15 runs to 16. A great start to the competition team!
- **Tee Ball (girls)** were defeated 4 runs to 14. Good to see some super teamwork, keep it up!
- **Rounders (open)** won their game with a score of 12 runs to 9. What a brilliant team!
- **Rounders (girls)** were defeated in a very close game, 7 runs to 6. Wonderful sportsmanship girls!
- **Basketball (open)** were defeated 14 to 34 in a tough game. Well done guys, sensational effort!
- **Basketball (girls)** won their game 20 to 16. Some excellent defensive and offensive skills girls, great work!
- **Cricket** were defeated 51 runs to 43. Some fantastic batting and bowling!
- **Bat Tennis** were defeated 18 games to 23. Good to see everyone put in their best effort, well done!
- **Volleystars** were defeated 3 games to 0. Skills are improving guys,

keep up the good work!

This Friday we will be playing Great Ryrie PS. Please see the Level 4 notice board (located in the Level 4 corridor) for a full list of teams for this week’s round.

**Away:** Rounders (both teams) and Cricket.

**Home:** Basketball (both teams), Tee Ball (both teams), Volleystars and Bat Tennis.

District Swimming Competition

Congratulations to all of the Level 4 students who competed in the district swimming competition on Monday. You made us all very proud and represented the school brilliantly! It was great to hear of your success, whether it be placing with a ribbon or achieving a personal best time. Please see Mr Mac’s full swimming report for more detailed results.

Year 6 Jackets

We have forwarded the final artwork design (signed by all Year 6 students) to the printers today to complete the graduating class jackets. A notice will go home on Monday to outline the cost of each jacket, which will be delivered to school within the next two weeks. Once payment is received your child will be given their jacket, so please ensure payment is forwarded to your classroom teacher or to the school office by the stated due date.

We hope you have a wonderful end to the week and a fun-filled weekend!

**Kate, Mitch, Clive, Rachel and Karen**

**Level 4 Team**

**COMMUNITY NOTICES**

(Please check the Community Noticeboard for further details)

- Ringwood Secondary College tour dates commencing Monday, 4 March until mid May. They will take place most weekdays at 9.10am. There will also be one on Saturday 4th May at 9.30am. Bookings are essential Ph 9870 2002. Information night Thursday, 2 May 6.45pm—8.30pm.
- Vermont Secondary College Open evening Wednesday 27 March, 6.30pm. College tours are conducted from 9.15 to 11am on specified dates. Please call 9873 1077 to book.
- Doncaster Hockey Club is running a free try out for boys and girls aged 5-14. Saturday 2nd March 11am-12pm. Doncaster Hockey Club, Mullum Mullum Reserve, Cnr Springvale and Reynolds Rds East Doncaster. For more information contact Sam Snow at sa.doncasterhc@hotmail.com
- Doncare Community Services with City of Manningham is running the following courses for parents/caregivers: ‘Reducing Sibling Rivalry’, ‘Parenting for Positive Outcomes-More Co-operation, less conflict’. Phone Doncare 9856 1500

**The second hand uniform shop operates on the 1st Monday of each month in the foyer of the hall. 3pm—4pm**

**Next date : Monday 3rd March**
ELIGIBLE parents may apply for an education maintenance allowance at the school their children attend.

To be eligible for the **first instalment** a parent must hold a current Centrelink Pensioner Concession or Health Care Benefit Card, or a Veterans Affairs (TPI) pensioner card, or be a foster parent as at the first day of Term 1, *(January 30, 2013)*.

If your family is eligible, and you have not already received an application form from your child’s teacher, please collect an application form from the office, complete and return by **Friday, February 22**.

---

**WALKING SCHOOL BUS 2013**

Walking School Buses are Up and Walking!

Our three Walking School Buses are up and walking with 27 children joining the Burnett Street Bus on Monday to Friday mornings, 13 children walking the Brunswick Road route on Wednesday and Friday mornings and two families starting the Wattle Valley Triangle Bus on Monday mornings.

Welcome and thank you to our new parents who are helping to "drive" our buses, Catherine and our prep parents - Susanna and Damian, Margarita and Renee. Thank you also to those parents who are returning this year, Mika, Naomi, Arthur, Tanya, Kathryn, Nick, Natalie, Paula, Jill, Sarah, Genevieve, Leigh-ann and finally a huge thank you to Sally and Emma who are starting up the Wattle Valley Triangle Bus. It is fantastic to see so many families involved in our Walking School Buses.

We still need more parents to volunteer as "drivers and conductors" on all routes. Your role would to assist the children to walk safely to or from School. The benefits of the Walking School Bus are many but include:
- children getting to know other children in the School,
- children feeling more independent, healthier and arriving at School alert and ready to learn,
- less traffic congestion which helps to reduce pollution,
- parents connecting with other parents within the School community,
- parents making a community contribution,
- children and parents improving their fitness, general health and wellbeing.

We are not a service and so need support from families to get involved to keep our walking school buses walking and provide these benefits for our children. The Burnett Street bus needs extra help in the mornings, the Brunswick Road bus has children wanting to walk Tuesday and Thursday mornings as well as some afternoons and the Wattle Valley bus needs some passengers (starts at the Wattle Valley Triangle at 8.30am).

If you would like to join our buses please contact Kaisha Gurry, [mickandkaisha@hotmail.com](mailto:mickandkaisha@hotmail.com) or 0416 135 247 to express an interest and complete the appropriate forms. For all those who already have the forms, you need to return them to Kaisha before you start on the walking school buses so that all contact details and information are up to date.

We will arrange an induction session with Whitehorse Council’s Active Transport Officer shortly, to ensure you are registered as a Volunteer with the Whitehorse Council. Also there is a First Aid Course available to all Volunteers on April 22, 9.30 - 3.00ish.
Are you able to help… Can you, your work, your family/friends help by DONATING a prize (goods or services) for the Silent Auction on Fete Day. All business donating a prize will be advertised on the day and mentioned in the newsletter throughout the year which is read by over 300 families.
If you are in a position to help or have any ideas, please contact

Rachelle Noble  0417384642

---

**Working Bee**
**Sunday 17th February**

Thank you so much to all the parents and children who worked so hard on Sunday. It was a very hot morning but all the soft fill was spread, mulch wheel-barrowed to several locations, the path in Nature’s classroom cleared and the frog pond area rejuvenated.

Thanks to Karen Patten, Lewis Randall and Alec Baroni who all attended.
The morning tea in the staffroom was an opportunity for the ‘workers’ to mingle and enjoy a well deserved rest.
It was a lovely, friendly morning and we hope to see more of you at our next working bee which is on the 17th March.

Dallas Boulton
Building & Grounds Committee
Aussie of the Week Awards

1LF  Sienna Smith  For setting a good example by always listening and doing the right thing.
1EA  Sophie Reid   For her great efforts when writing.  Well done!
1LC  Summer Murphy For making a wonderful start to school. For displaying responsibility for your learning.
1SG  Emily Furlong For being an excellent listener and a responsible learner.  Congratulations on a brilliant start to school.
2BC  Gemma Noble   For a great recount about her trip to Mansfield.  Awesome work!
2CC  Caitlin Magner For always being a mature and responsible member of the class.  Your attitude towards everything you do at school is fantastic.
2CE  Benjamin Holt For being a super star at place value.  You worked on extending your understanding.  Well done!
2CN  Gabriel Roso  For his wonderful work in Literacy.  Your Recount writing was great Gab.  Keep up the good work!
2JS  Luca Orsini   For resilience and trying his best.
2LE  Jack Apostolopoulos For always being a polite and friendly class member.  Your smile lights up our class room!
2SP  Kuan Van Vulpen For fantastic revising.  You have added so much detail to your recount about the holidays!  Well done!
3AB  Charlie Marini For demonstrating independence during class tasks and inspiring others with your ‘can do’ attitude!  You are a great member of the 3AB team!  Well done!
3BR  Liam Beltrami For your sensational 55 word story about the beach.  Your writing painted a wonderful picture.
3DH  Meg Serong   For making such a wonderful start to Level 3 and always approaching all learning tasks with a big smile on your face.  Super job Meg!
3JD  Georgia Frogley For your confident and positive attitude towards all tasks.  The standard of your work is fantastic and you are a great role model for others.  Keep up the great work!
3NM  Maddy Clarke For always working to the best of your ability, demonstrating great responsibility.  Congratulations Maddy.
3RM  Alannah Orsini For demonstrating confidence and resilience in the classroom.  Alannah you blew us all away by testing yourself to see how far you could extend your knowledge of place value.
4CH  Maggie Li     For a great start to the year and producing work of a very high standard.  Well done Maggie!
4KD  Alexander McKeown For a terrific start in Level 4-head down, getting on with the job.  Great work!
4KT  Taya Sharpe    For your sensational start to life in Level 4—you have settled in beautifully and are working hard!
4MN  Madeline Janes For making a great start to the year and settling in well at your new school.  You are a welcome addition to 4MN.  Well done!
4RF  Annaliese Hughes For demonstrating our class ‘Have a Go’ attitude during house swimming.  We are very proud of you Annaliese.

Performing Arts  Olivia Incoll  For being on top of your learning during our drama class.
Melbourne Academy of Dance
