Dear Antonio Park Families,

School Council

Just a reminder that the ballot for APPS’s School Council Elections closes Monday 11th March. As this is a public holiday please ensure the ballot paper arrives at the office by Friday 4:00 p.m. Parents just need to place a mark next to the candidate they wish to vote for. A tick is fine. No numbering, however if you do place the number it is counted as a mark (one vote). It is not a preferential system, it is based entirely on the number of votes.

Parents can only mark up to the amount of vacancies... APPS has 4. Parents don’t have to mark four, you may choose only to place a mark against one or two or three of the candidates. The vote is invalid if there are more than four candidates with a mark against their names.

Counting is done by counting the amount of votes (marks) each candidate receives. Please make sure your ballot is placed inside a sealed envelope and then place this envelope inside another sealed envelope with your name clearly written on the outside of this envelope.

School and Communities-
“COMMUNITY BUILDING”

ERRIC is the symbol for our school community’s values. APPS has a culture whereby staff, students and parents are expected to demonstrate behaviour that reflects these values.

The strong partnership between home and school is seen as the foundation of successful learning for all children. School Council has an important role in fostering:

- **Connectedness**: Building a strong bond between all school community members (students, parents & staff) and with our wider community.

- **Relationships**: When people know each other better, the more aligned their expectations become. If you are the only parent who expects his or her child to go to bed at a certain time, this will be harder to achieve.

- **Harmony**: Most conflict is caused by differences in perception. Our children will be safer and happier if we are able to connect with each other.

- **Values**: When our school values of Empathy, Responsibility, Resilience, Independence, Confidence are shared and lived by us as adults in our school community they will be transmitted to the children. Our actions and interactions show children what we value.

- **Civics and Citizenship**: Children who see their parents making positive contributions to society are much more likely to do so themselves.

Karen Patten
We have held two of our Classroom Helpers sessions so far this term. The sessions are very interactive and we have had lots of fun talking about learning in school. In Session 1, we discussed how adults and children learn and what it means to be a helper in the classroom. Some thoughts from our participants about how we can help in the classroom... we can... encourage, give positive feedback, praise efforts, assist teacher, talking & listening to, encourage practising and having a go, be a role model, ask leading questions, making links between home and school in reading & writing, assisting individual students and giving equal time to all students, offering different strategies for problem solving, using own skills to assist students, sharing experiences and having a great time in the room! In Session 2, we looked at Speaking & Listening in the classroom and how we can support students at school and at home by: asking open ended questions, (What was the best part of your day today?) pausing and waiting for answers, giving time to think, rephrasing questions while supporting the attempt, being an active listener (being quiet, nodding, smiling, watching, giving time), offering praise...these are some of the important elements we discussed as a group.

We introduced a Readers Theatre activity, in which we had to read, practise and perform a known fairy tale...this was fun and a learning experience we try to give all of our students in the Early Years classrooms. We also visited the Level 1 rooms and two Level 2 rooms to watch ‘literacy in action’ Thank you to everyone in the group for their participation, the sessions have been great! Next week, we will be looking at Reading...how we learn to read and how we can support reading in the classroom.

What’s Happening In Level 1?

Congratulations on your first full week of school Level Ones! It’s great to see you all working so well throughout the whole week. This week we’ve been thinking about dinosaurs, dolphins and dogs as we focused on the letter Dd. Next week our spelling focus will be the letter Tt. During writing we have been working on our recounts about making paper planes with our buddies. Look out for our brilliant displays outside the staffroom and in our classrooms. This week during maths sessions we have been focusing on number and next week we will be exploring 2D shapes.

This week you should have received a notice about our woodwork incursion. We are all looking forward to making our own toy on Wednesday 27th March. Please remember to return the payment and permission note by Thursday 21st March.

What’s Happening In Level 2?

We had an exciting time at our Cool Calm Kids incursion yesterday. It was great to revisit the strategies to use when someone is being a mean mate. We loved the chance to build on our resilience by being “Cool Calm Kids”, not “Angry Alligators” or “Scared Mice”.

Addition is proving to be lots of fun. We are all getting excellent at using different addition strategies like counting on, adding to ten and doubles to help us tackle big numbers. Maybe you could play some games with your children at home to see how clever they are?

Starting our persuasive writing genre has been very exciting! We would love to try out our new techniques and language with you at home! Enjoy your week!

Level 2 team.
What’s Happening In Level 3?

What a great week we have had in Level 3 despite the hot, hot weather! On Monday the Level 3 students were lucky enough to have a visit by Angie Baroni, an author who happens to be Mr Baroni’s mum! Angie spoke to us about her book titled ‘The Anaswitch’ in which she went through how the writing process begins and develops. The students were very interested to learn all about these details and how they can develop their ideas into something extraordinary from an initial thought. They were particularly excited to identify with some of the characters in the book by learning their ‘Elvish name’!

Homework began last week and is due in tomorrow. Well done to all the students that have already handed their homework in and who have been working extremely hard on their presentation. A reminder that homework is designed to help your child revise lessons covered during class, as well as build on home management skills, so please assist them where possible.

We are now delving well into our addition and subtraction unit as part of our numeracy lessons. It would be great if you could continue to encourage the use of addition and subtraction at home and in everyday life. All students have now been given their Mathletics username and password and we encourage them to have a go at Mathletics where possible both at school and at home. Mathletics encourages students to reinforce key skills while keeping them engaged and motivated.

Thanks and have a lovely long weekend!

Level 3 Team

What’s Happening In Level 4?

The students have been working hard, studying the human brain and how they effectively learn and understand new information. The students are looking forward to dissecting a sheep’s brain in a few weeks. They will be getting a really close look at the various parts of the brain and how they are put together.

Year 6 Jackets:
The jackets have arrived! Once payment has been received your child will be given their jacket so be on the lookout around the school for our grade 6s looking very smart in their special tops! Payment for grade 6 jackets is due by the 8th of March.

Empowered Kids:
As a continuation of our Wellbeing program, Level 4 students will be taking part in a fun and interactive Empowered Kids workshop on Tuesday, March 12th.

Interschool Sport:
Due to the curriculum day last Friday the sport teams had a bye. We are looking forward to this week and good luck to everyone against Croydon Hills Primary School.

Important Dates for Level 4 – Upcoming Events:
We have lots of exciting things happening in Level 4 this term.....

Tuesday 12th of March: Empowered Kids Program
Saturday 23rd of March: School Fete
Monday 29th April: Canberra Camp!

Have a wonderful end to the week!

Kate, Karen, Rachel, Mitch and Clive.
Level 4 Team

What is happening in PE?

Division Swimming Trials:
Congratulations to Chantelle Underwood and Harrison Frogley for their excellent swimming and making the Regional Sports tomorrow. Chantelle won her freestyle and backstroke events and Harrison came second in butterfly.

The boy’s freestyle relay team finished third. The team is Harrison Frogley, Josh Petering, Harry Webb and Alex McKeown.

Well done to you all for representing our school so well.

Camp Australia: Holiday program enrolments are now open and ready to be booked. Come along we have many fun activities over the holidays. Please visit our website www.campastralia.com.au for further information or call us on 0412 545 042. Enjoy your long weekend.
BUNNINGS BBQ: We need your help! The PAG committee are running the BBQ at Nunawading Bunnings on SUNDAY APRIL 7TH. This is a great opportunity to raise some money toward the playground. But we need your help. If you can spare a couple of hours to help, please fill in the form below and drop it into the fundraising box at the office. As we are the “Parents Activity Group”, we rely on the occasional assistance from APPS parents. With this donation of time we will achieve the best result for APPS. We will be in touch to confirm with you closer to the BBQ weekend.

If you are able to help, have any ideas, suggestions or queries please let us know either at school or drop us a line at appsPAG@gmail.com.

Your PAG committee: Del Costello, Bettina Faircloth, Sandy Ingram, Kylie Sandow and Jeannine Vains.

A huge THANK YOU! To everyone at Antonio Park Primary School for their support of Undies For Bundy!

I was overwhelmed with the number of items donated on such short notice. Among the donations were 85 pairs of undies, 16 bottles of shampoo and conditioner, moisturisers, toothpaste and toothbrushes, deodorant and an amazing 61 bars of soap! Everything was packed up and shipped off to Bundaberg the following week and has been distributed to all the flood victims to help them get back on their feet. 😊

Thanks again to you all! Cheers, Jodie Sompel (Lukas 3DH, Amelia 3NM)
