Around Antonio

Dear Antonio Park Families,

Production
Wow! We are very proud of and impressed with all of our students!!! Congratulations to all of our staff, our many parents and in particular our wonderful students for a most successful and enjoyable production. A lot of hard work, planning, preparation and practice went into this production.

It was a privilege to be part of this very special event. I was very much looking forward to Wish Upon a Star by our Level 1, 2 & 3 students and A Kidsummer Night’s Dream by our Level 4 students. The production is a strong part of our school’s history and tradition. A.P.P.S. has held a production for the last 23 years.

It was a wonderful opportunity to see the children involved with acting, dance and song. Dressed up in their special costumes it brought a smile to all of us...a smile of pride and a smile of amazement! Spending time in the audience and backstage, it was impressive to see the commitment and skills of staff and parents at work to ensure the students evening was a successful one.

These nights are a culmination of a lot of hard work by many people. So many people are involved to make our productions successful from: publicity, sponsorship, ticket selling, ushers, raffle organisation, programs, art work, photography, props, set construction, makeup, costumes, stage hands, lighting and sound, stage manager, director, musical director, choreography, staff behind the scenes and of course the children who have rehearsed over many weeks and ‘shone’ on stage!

We thank everyone for your support and encouragement: a testament to the close community we have at Antonio Park. Special thanks to Cris Surcel and Courtney Camm our Directors, who pulled all the threads together and gave our students so much encouragement, with a ‘you can do it’ attitude!

A wonderful way to finish Term 3. WELL DONE everyone!!!!!!

Have a Happy Holiday!!!!!

I would like to thank the staff for the amazing work they have done with their students this term. Having conversations, visiting classrooms, having wonderful visits to my office from students with great work they have done, continually has me impressed with the quality of our staff. Our students are equally impressive. The tone of the classrooms reflect happiness, engagement and a thirst for learning. I see a lot of pride being taken in the work they do. And of course our parents...this term has seen another example of the incredible community spirit we have at A.P.P.S. Our parents involvement in production, swimming, and aerobics to name a few...THANK YOU!!!!!

Wishing all our staff and students a well deserved rest. See you all on Monday 7th October, ready for another wonderful term.

We can look forward to another great term after the holidays. A very important one, where we see a lot more learning happening in preparation for the following year.

FAREWELL
We would like to say farewell to Sarah and Blake and their family who are leaving the school at the end of term. We wish them all the very best at their new school.

Please read below a lovely letter sent by one of our neighbours regarding the Election Day polling booth at Antonio P.S.:

Good afternoon

I am writing in order to commend the staff and students of Antonio Park Primary School for the enjoyable experience which was created for the Deakin electorate and wider community on Election Day, 7 September 2013.

I was pleasantly greeted as I entered the gates and was not rudely bombarded with campaign propaganda. The grounds were well presented and I saw members of the school community (whether staff or parents) picking up rubbish as necessary – it was lovely to see people taking such pride in their school! The sausage sizzle, cake stand and craft stall greatly enhanced my voting experience as I was able to grab a drink and hotdog before lining up. I was pleased by the level of hygiene maintained by those who staffed the food stand and I must praise the young boy who was handling the money; His manners were impeccable and he carefully counted the money tendered and change provided. The friendliness of the ladies manning the cake section made the mars bar slice and cookies go down even better – I took them to an afternoon tea and both options were a hit!

Being new to Victoria and the Deakin electorate, I was most impressed with my experience and felt it necessary to pass on my thanks.

Kind regards

Thank you to those parents and students who operated the cake stall on Election Day, you did us proud!

TEAM PLANNING

All teachers will be involved in Team Planning in their levels during the first week of Term 4.

Teachers will plan their teaching and learning programs for the term, to ensure a consistent approach.

Students will have their specialist classes on the day their teachers are planning e.g. Music, PE, Art, Library, Indo etc.

Level 1: Monday, Level 4 Tuesday, Level 3: Wednesday and Level 2: Thursday.

PRODUCTION

Wow what a show!!! If anyone missed out on a program, we have some available for sale at the office for $5.

MORNING TEA

Next term, we will be holding our monthly Morning Tea for parents on 14 October, following assembly.

We have had many parents who have helped in so many ways with the Production, that we would like to have an opportunity to say thank you from us all! We would love to see everyone there! Look out for a special note in your child’s school bag this week. Please fill out the tear off slip indicating if you are able to attend for catering purposes.

Have a wonderful holiday with family and friends.

Jan and Annette

What’s Happening In Level 1?

Wow! How great was production! Congratulations to all the Level Ones for their amazing performances. We couldn’t be prouder of each and every one of you. You looked fantastic on stage and we know you had so much fun. Thank you to the families and friends for coming out and supporting their children and the school community. I’m sure you all enjoyed it as much as we did.

If you haven’t already done so, please return the swimming medical and permission form as well as the payment. The green permission envelope needs to be returned to the classroom teacher even if you have paid at the office.

What’s Happening In Level 2?

Bring on the stars of the show… the Level 2 students!

Each performance on Tuesday and Wednesday was presented proudly to the parents and the school community. Thank you to all who helped with costumes, choreography, sets and make up.

A special thanks to Courtney in Level 2 who helped us all reach for the stars.

As soon as possible please return your child’s costume to their classroom teacher.

Our unit next term is ‘Under the Sea’ and we are sure that everyone is excited to learn new facts and information about marine life, both plants and animals. Please look around at home and send along any resources that can be shared with the grade.

Finally we hope everyone has a safe and happy holiday break… remember to read and enjoy times with family and friends.

Enjoy the holidays… from Level 2
Wow! What a sensational week we have had! Our productions on Tuesday and Wednesday nights were a **HUGE** success! All the Level Three teachers would like to congratulate the students on their fantastic commitment to their class routine, as well as the families of all students for their amazing support! I think we can all agree that the whole show looked fantastic!

Can you believe that it is already the last week of term? It seems like only yesterday we came back to our newly painted rooms, fresh faced and keen to start learning (Oh how time flies).

We are wrapping up our unit on angles and lines this week and it has been great to see all the students so engaged and experimenting with protractors. There are some fantastic angle displays in each classroom that identify and list the properties of different types of angles, see some of the pictures below!

A note has been sent home this week about a portfolio task for our inquiry unit, if you could spend some time over the holidays collecting materials and send them in on the first day of Term 4, that would be terrific!

All Level Three teachers would like to wish everyone a happy and safe holiday, we look forward to seeing you all back and relaxed next term!

The Level Three Team

**What’s Happening in ICT in Level Three?**

It's all LIGHTS... CAMERA... ACTION! In Level Three at the moment as each class is working to complete a short video focusing around well-being.

The styles of video range from stop-motion to interviews to dramatic ‘soapies,’ with all the students having an absolute blast!

Students have got together with Sandra Collinson to develop an idea into a storyboard and have written scripts for their class to act out. We have spent the last few weeks in the videoing stage, using the fabulous DSLR Camera and brand new HD Camcorders.

Editing will begin shortly and you can look forward to seeing a premiere night coming up in the not too distant future! The ICT Team
What’s Happening In Level 4?

What a huge week at Antonio Park - production was just amazing! We are so proud of all the efforts of every student involved. THANK YOU to all of the families for their help in preparing for our performance nights. Please see below for a further recap and some photos of our wonderful performers.

Level 4 Swimming Program
We are currently finalising numbers for our swimming program. If you still have not indicated your intention to join the program and would like to attend, please contact the school office as soon as possible. Medical forms will be sent home first week back next term and will need to be returned before the program commences. Students not attending will be put into regular Level 4 classes to continue the learning program as normal.

Year 6 Graduation
The detailed Graduation notice was sent home to Year 6 students today. Due date for payment is December, please ensure this is paid by that date. Students will be working on their song from the first week back next term, we look forward to sharing our hard work with you on the night.

Level 4 Production
Congratulations everyone, another year and another sensational production!! So much work goes into the performances each year and we would like to acknowledge all of the wonderful people who chip in to make it such a memorable experience for our students. Thank you to:

- The ‘Superstar Sewers’ who made all of our fabulous costumes: too many of you to mention individually, but you know who you are! Thank you Karita for overseeing the entire process, we couldn’t do it without you!
- Our ‘Creative Choreographers’ from outside school and other levels who did a great job of getting everyone moving on the stage: Mark Fittolani, Christine Ewan, Lauren Croxford and Catherine Wilton.
- The ‘Dazzling Director’, Cris Surcel – your hard work and dedication was incredible, particularly your encouragement and guidance of students with speaking roles.
- The ‘Fabulous Face Painters’ who created our individual characters so well: thank you to Kylie for overseeing and to the parents who helped out also.
- Our ‘Sensational Stage Crew’ for your hard work on production nights, moving props, sorting microphones and supporting our cast.
- Our ‘Fantastic Families’ for getting students into their makeup and ensuring they were at the theatre ready to perform.

We are sure there are many more people to thank and to you all, we extend our gratitude. Please see the full page of backstage photographs provided later in the newsletter.

Some exciting news from Level 4 last week too. One of our Year 6 students, Lian in 4RF, was presented with the Most Valuable Player award for the entire Under 12s football competition (amongst other accolades as you can see from the picture!). We are so proud of your efforts Lian and know that you will continue to shine in your sporting endeavors going forward. Can’t wait to see you on the MCG one day!

Have a restful and rejuvenating holiday break and see you in Term 4.

What’s Happening PE?

DIVISION ATHLETICS:
The Division Athletics will be conducted on Thursday 10th October at the Bill Sewart Athletics Track (Melway 62C8). We have 11 students participating and we wish them well. Travel arrangements with parent cars have been organised. Athletes and spectators need to bring $5 for entry to the track. I will also be at the track for the day.

LEVELS 1 & 4 SWIMMING:
Level 1 swimming is at the Nunawading Pool in weeks 3 & 4 of Term 4. Please make sure you have paid your $130 before the end of Term 3. Coordinators have sent home details about the program.
Level 4 swimming numbers are of concern to me. Many families who indicated they would participate may have now changed their minds. This makes it difficult to meet our travel and pool commitments at the end of the program. We value our swimming program and expect all students to participate in this valued whole school program.

LEVEL 4 SPORT UNIFORMS & BUS LEVY:
Please return all sports uniforms as soon as possible. They are well overdue now and there are still a few items outstanding.
We also have a number of families that have not yet paid their sport bus levy which is a bit concerning as this was due in Term 1. This payment is vital for us to pay for all of the sporting buses the students use throughout the year.
Please make the effort to pay this as soon as possible. Thank you.

The Junior School Council and PAG are very excited to announce that we will be running a walkathon fundraiser next term to raise money for the building of our new junior playground which we are getting close to reaching our target of raising $30,000.

**WALKATHON**

On **Friday October 25th**, the whole school will be participating in Antonio Park Primary School’s Walkathon Fundraiser to assist in raising funds for our school. The event will take place over the course of the day, beginning at approximately 9:00am and concluding at approximately 3:05pm with each grade participating for a 25 minute time period.

A notice was sent home this week detailing all the information about the walkathon along with a sponsorship form for students to start collecting sponsors over the holidays.

We are very excited about this big event!

**ERRIC AWARD**

**Jett 2LE:** for displaying our school values every day. You are always kind and courteous to others and willing to lend a hand. We love how you make such an effort to make those around you feel happy and cared for. You are a great role model for your peers with your independent and responsible attitude towards your learning and school life.

**Sarah 3BR:** for being a fantastic member of Antonio Park Primary school. We love how you represent our values so well every single day. You are a great friend and always support and encourage your peers. You approach everything with confidence and independence and with a smile on your face. You have been a fantastic member of our school and we are going to miss you and your positive attitude very much! Well done!

**Scarlett 1EA:** for having a wonderful positive attitude towards your school life and friends. You are always kind and caring towards others and willing to do thoughtful things for those around you. We love how you give 100% to everything you do. You are a great representative of our school values! Congratulations!

**Danny 4MN:** for demonstrating the ERRIC values by showing great leadership and care when looking after your fellow school members. We are very proud of the way you acted in a time of need. It is fantastic to see you being such a kind and responsible member of our school. Well done!

**Chloe 3NM:** for consistently demonstrating all of our school values inside and outside of the classroom. Well done!

**JSC NEWS**

The Junior School Council and PAG are very excited to announce that we will be running a walkathon fundraiser next term to raise money for the building of our new junior playground which we are getting close to reaching our target of raising $30,000.

**Holiday Fun**

What to do on the holidays – there are so many choices we would need more than two weeks to get through the list. A good place to look for ideas is [www.MelbournePlaygrounds.com.au](http://www.MelbournePlaygrounds.com.au) and it is good to note that not all activities have to cost money. You could go to a park, arrange a playdate or go for a bike ride. Cooking and craft are good activities to do at home. For those looking for a bit more of an adventure why not catch a train into the city and explore Federation Square and the art galleries. Don’t forget the City Circle Tram as a good way to get a guided tour of the city. Take a drive to the Dandenong Ranges – Grants Picnic Ground is a great place to visit. But don’t forget the importance of some downtime just playing a home and allowing your children to use their imaginations. Enjoy!
**Production Raffle:** Thankyou to the following families and local businesses who have supported our production through their kind donations;

- **Verve Portraits**
- **Bunnings Nunawading**
- **Repco – The Jones Family**
- **Amazing Scents Aromatherapy**
- **Dan Murphys – Burvale**
- **Two Brothers Café – Rangeview Shopping Strip Mitcham**
- **Cartridge World Mitcham**
- **AMF Knox Ozone**
- **Rain, Hayne & Shine Farmyard**
- **Entertainment Books**
- **PartyLite – The Cook Family**
- **Step Into Life Mitcham – The Sompel Family**
- **Target Ringwood**
- **Karen Thomas**

We would also like to thank everyone who has supported our fundraising efforts this term. The families, and especially the kids who got behind the five cent frenzy. The fantastic ladies in the office who promoted the five cent frenzy and lugged the coins to the bank. We hope everyone who ordered the Cookie Dough is enjoying their yummy treats. To the fantastic families who donated their time, made a cake, bought a sausage, cake or craft at our election day BBQ, we also thankyou. Once again we have put the fun in fundraising and had a few laughs along the way.

If you have any ideas, suggestions or queries please let us know either at school or drop us a line at appsPAG@gmail.com
