Dear Antonio Park Families,

A Lot To Celebrate @ APPS!

Our weekly whole school assembly is a special and enjoyable community event. There are so many things we celebrate and acknowledge. Monday’s assembly is always a wonderful example of this. The atmosphere has a strong community feeling of pride, happiness, excitement and connectedness. We:

- Sing our National Anthem
- Celebrate birthdays
- Acknowledge achievements (Aussies & Mathletics)
- Recognise the efforts and the important roles of our Student Leadership program: School Captains, Specialist Captains, House Captains, Peacemakers, JSC and Environmental Leaders
- Listen to wonderful music performances
- Share in the joy of the many learning opportunities and wonderful experiences of our Sustainable Schools and animal program
- Have a lot of smiles and laughs.

Reasons why we are very proud of APPS:

- Its vibrant culture, the team and ‘can do’ ethos
- Inclusivity, connectedness, respectfulness, positive relationships and ability to have conversations
- Strong student voice, student centred and a focus on the whole child
- Commitment of teachers, their preparedness to ‘do the extra’, their passion and the quality of programs
- The amount of opportunities for individual students to engage, shine and excel, within and outside the classroom
- Wonderful community involvement, participation in and support of programs and events
- Sustainable schools program
- Our greenery and facilities.

Staff work very hard and are committed to:

- Engaging learning through the design and delivery of curriculum.
- Innovation, responsiveness and adaptability
- Creating a learning environment with wonderful extra-curricular activities such as: the fete, production, aerobics, instrumental music, sporting program, camps, swimming, the animal program and sustainable schools program
- Caring, working well together and modelling the school’s values: Empathy, Responsibility, Resilience, Independence, Confidence.

During 2016 we will:

- Continue what we love about the school and what the school does well
- Capture and maintain our unique culture
- Continue high expectations, a strong focus on learning and teaching
- Continue our excellent capabilities at enhancing students’ growth.

Thank you everyone for making APPS such a great school!!!!

Karen Patten
Nationally Consistent Collection of Data on School Students with Disability

All schools and approved authorities for schools in Australia participate in the national data collection annually. Through this collection, data is collected about students with disability across Australia in a consistent, reliable and systematic way. This collection is based on the professional judgement of teachers about their students and the level of reasonable adjustments they are provided with to access and participate in education on the same basis as other students, consistent with the obligations of all schools under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005. The national data collection provides Australian schools, education authorities and the community with information about:

- the number of school students receiving educational adjustments because of disability
- the broad level of reasonable education adjustment provided for students with disability to access and participate in education
- each student’s broad category of disability
- the distribution of school students with disability.

Data will continue to be de-identified prior to its transfer to the Australian Government Department of Education and Training. No student’s identity will be provided to the Australian Government Department of Education and Training.

This data will inform better targeting of resources to support students with disability, including Commonwealth funding for students with disability.

You Can Do It! Parent Online Resource

99 APPS FAMILIES HAVE ALREADY REGISTERED!

We are very excited to announce that 99 families have already registered for the wonderful E-learning, parenting website; You Can Do It! Parents: www.youcandoitparents.com.au.

That’s 27% of our families - Brilliant!

All the resources on the website are available for our school community (families and staff). The website contains a large number of E-learning programs for parents on ‘best’ practices of parents, Parent Insight Articles on topics of importance dealing with child development and parenting, and E-learning video and audio E-learning programs for children and adolescents that help build a variety of personal and social skills and positive attitudes.

Information on how to register was in last week’s newsletter.

Enjoy your weekend
Annette & Tim

What’s Happening in Level 1?

We are nearly there – 100 days at school! On Monday the Level 1 students will parade their costumes at assembly and then at 1pm our party will begin! Please refer to the note sent home this week. Please take the time to celebrate all your child has achieved over the past 100 days – we are certainly proud of their efforts!

Next week our spelling focus is on the letter k and the spelling pattern ‘au’ and our maths focus is on the number 100. We are exploring ways that we keep ourselves happy and healthy and we enjoyed a visit from Will the Water Man who shared the role that water plays in keeping us healthy. In a couple of weeks time we will have our first visit from the firefighters who will give us tips for fire safety.

Have a great week,
Elizabeth, Stacey, Mitchell and Rachel
Level 1 team
Our week began with great enthusiasm from students, parents and teachers, who all headed to the MCG for an excursion. We were extremely eager to explore the museum, interact and have a go at different skills in the Game On area and have a tour of the MCG. It was a fabulous day and I think stepping onto the MCG ground along with the press room were a few highlights of the day. A big thank you to all of the parents who helped out on the day. (View our MCG collage)

Reminders:
- Please return your swimming notices by tomorrow, so that organisation with parent helpers and buses can be finalised.
- Literature books have commenced, please ensure that your child is reading each day and that they are also completing their literature role card task.
- Students have received a House Athletics notice, please return signed envelopes by Friday 29th July.
- If you have any books on health services, healthy eating, sports or the Olympics please bring them in to your child’s classroom to share.

Thanks for a great week,
Level 3 Team

What’s Happening in Level 4?

We have made a great start to the term. The students are focused in the classroom and have been working well.

Grade Six Families - We have a confirmed date for graduation this year. We will be celebrating our grade six students time at primary school on Wednesday 14th December. The cost for the evening will be $55. You do not need to pay this yet. A note with further details will be sent out later in the term. This is only for your information at this point.

Our production rehearsals have begun and we have some really excited students. If you know you are away for production and have not yet let us know could you please send in a note so we can ensure all students are included in the routine. We have been asking students to help with the choreography and have seen some very interesting moves!

Last week we had a level meeting where we spoke to all students and revisited the expectations of homework. Homework club will be running at lunchtime tomorrow for those students who have not completed tasks or those who need to revisit the rubric and make changes.

Thanks from the Level 4 team.

ICAS English

Please note that ICAS English is now on Wednesday 3rd August due to a clash with House Athletics.
ICT in Level 1

Last term students learnt how to use the program Paint. Please enjoy some of the masterpieces that they created below. Some of the skills they developed included:

⇒ Freehand drawing
⇒ Manipulating shapes to create pictures
⇒ Changing colour and size
⇒ Saving work

This term students are being introduced to Word. Two weeks in and they are already really excited about what they can do! Some of the skills they will be developing are:

⇒ Opening and saving a Word document
⇒ Using the spacebar, shift key and backspace key
⇒ Identifying letters and numbers on the keyboard
⇒ Changing fonts and font size
⇒ Inserting online pictures
⇒ Adding borders
Digital Tattoo

Once stuff about you goes online there is no knowing who will see it, or when they will see it.

What’s the issue?
Things that are posted online may seem like they are ‘here today, gone tomorrow’, but this is not the case. When images and videos of our ‘bad hair day’ or latest crazy exploits are posted online they can end up anywhere in the world and be re-used in ways that we never intended—even years later.

Why does it matter?

 Other people cannot see inside your head, so the ‘you’ that they know is the one you show them through what you say and do. This includes your offline self and your online self.
 We form impressions everyday about people we don’t know personally. We use whatever information we have to do this, for example, pieces of their work, pictures of them or comments they made in a forum. Other people will form opinions of you in exactly the same way.
 Digital material is no longer under your control once it has been shared, even if it is only shared with people you trust. Once stuff about you goes online there is no knowing who will see it, or when they will see it.

Advice
Prevention is better than trying to mop up later

 Think twice before putting material online—what would this look to your Grandparents, your teacher or your friends?
What about in ten years time?

Keep things in perspective

 Be realistic about the impact of what has gone online—if it is a bit embarrassing but otherwise harmless, learn from the experience and move on.

Be clear about who you want to be online and offline

 Let other people know that you don’t want them putting embarrassing material about you online.

For craft this week the children decided they wanted to do sewing, we’ve seen pillows being made as well as bears and birds A few other children have asked to do pin art, which looks great put up on the window. In the kitchen we have been experimenting with healthier alternatives, as part of a new Camp Australia initiative. Outdoors we have been playing footy, soccer and basketball. Other children have been skipping and playing on the playgrounds.

Notice for Prep parents.

This term we will be starting to let the prep walk to OSHC by themselves, we will still provide teachers with a list of who is coming and a staff will be in the yard to assist anyone, but we also encourage parents to give their children reminders as well. If you have any questions regarding the process please come in and talk to the coordinator.

Just a reminder, if you are creating or cancelling a booking to please call customer service or go online to the parent portal. If it is last minute you are also able to call/text the service phone on 0412 545 042.

If you have any inquiries or questions please call us on 0412 545 042, alternatively you can call customer service on 1300 105 343, or email.

**Free Dress Day**

What an outstanding 80s day we had at the end of last term. It was great to see so many people get into the 80s swing with lots of fluro along with many 80s characters. We raised an outstanding amount of $575.35 which went to the RSPCA. Check out some of our photos below:

Michael Wagner: So Wrong
Book Launch

On Tuesday 26th July, author Michael Wagner and Illustrator Wayne Bryant will be coming to APPS to launch their new book So Wrong and present to our students! This is such an exciting opportunity for our students to hear first hand about the process of writing and illustrating books.

As part of their book launch, Michael and Wayne will be selling signed and personalised copies of So Wrong and the other titles shown below. To purchase a signed book, please complete this form and return it to school along with cash payment in a clearly marked envelope by Monday 29th July. Options for Paypal and direct deposit are also available.

Library captains and Ms French

WINNERS

Will be announced and awarded with a prize at the assembly on Monday 1st August

The winning bookmark designs will also be distributed to customers during the Book Fair!

ENTER NOW!
Antonio Park Primary School and Energise Aerobics

Showcase Fundraiser
Wednesday 27th July

We will be displaying the amazing work of our twenty teams at a performance night, held in our school hall.

This is a wonderful opportunity for the teams to perform in front of their much loved crowd and a great performance opportunity for our National teams before competing in Queensland on Saturday 6th August. Our prep students will also be performing their routines.

This will be a magnificent showcase of the extremely talented and enthusiastic students that we have at Antonio Park P.S. We are also fortunate to have past students performing their secondary routines. We will be presenting our National Squad with their uniforms on the night.

Families, friends and relatives are invited to this fundraising event and all money raised will support the growth of our aerobics program. All payments for the night will be made at the door, so correct money will assist in a smooth flow through the doors on the night.

Thank you for your continued support,
The APPS Aerobics Coaching Team

DETAILS:
When: Wednesday 27th July
Where: Antonio Park Primary School Hall
Time: 6:30pm to 8:30pm
Cost: $5.00 children $10.00 Adults

BOOK FAIR
DRESS UP DAY

On Monday 1st August there will be a whole school dress up day to celebrate Book Week and the Scholastic Book Fair.
All students are encouraged to dress up as their favourite book character or their favourite author.
Start to have a think about what your costume might look like!
Please note that this dress up day is not part of a JSC fundraiser and therefore students do not need to bring a gold coin donation.
Book fair gift vouchers will be awarded to the best dressed student from each grade.

We are looking forward to another fun and successful Book Fair!
Name: Kiera
Grade: 4CN
Hobbies: Singing, dance and drama
I enjoy being a Peace Maker because I get to help kids and be a leader in the school.

Name: Charlie
Grade: 4LC
Hobbies: Violin, playing footy, tennis and cricket
I enjoy being a Peace Maker because I like helping other people and being a role model.

Name: Angela
Grade: 4CN
Hobbies: Singing, dancing, calisthenics, piano, cooking
I enjoy being a Peace Maker because I get to help students in the yard and be a role model for younger kids.
Aussie of the Week

1EA Aiden P For confidently identifying skip counting patterns on a hundreds chart.

1MN Jarrod For delivering a fantastic JSC speech and showing maturity and resilience when congratulating your classmate on becoming our new JSC member.

1RF Lucy S For working hard to improve your writing. The effort you are putting in is really making a difference. Awesome work Lucy!

1SG Leila P For your outstanding attitude this week! What a wonderful effort. Keep it up!

2AF Bethany C For your eager participation in literacy discussions this week. It has been pleasing to see you putting forward your ideas with confidence! Great ideas Beth!

2BC Claren For his excellent analysing during literacy sessions. Top job!

2BW Oliver For speaking confidently to the grade about how he cares for the environment. You did an amazing job! An impressive effort Oliver!

2CC Declan For a fantastic start to the term! You were focused on your work and your behaviour in class set a great example to others. Keep up the fantastic work buddy!

2JS Harry For confidently working accurately with coins and notes.

2KD Vivienne For challenging yourself when solving division equations. Keep on achieving your personal best.

2TR Fletcher For your wonderful concentration in numeracy. You demonstrated your hard work by counting large amounts of money and using your adding strategies. Well done Fletch!

4BR Luke N For having insightful thoughts about our text schema in information report writing. The detail in which you analysed the text was excellent.

4CE Nathan T For contributing to class discussions. You are listening to our tuning in clips and have some great things to share about it.

4CN Kyan For your wonderful attitude to school. It is great to see you so passionate about your learning. Your positive outlook and empathy for others are great qualities to have. Super work!!

4JD Sienna For always completing her homework tasks to a high standard. You continue to challenge yourself and put in a huge amount of effort into your final presentation. Outstanding Sienna, well done!

4LC Carlee D For persistence when completing algebraic equations. You sought assistance when needed, set your work out neatly and worked hard to achieve the outlined success criteria.
