Friday 8 April Last Day Term 1 2.30pm finish

Dear Antonio Park Families,

Thankyou to our amazing parent community for attending parent teacher-conferences last week. Whether you attended face to face or via Google Meet, we had a fantastic turnout. Parents shared valuable information about their child so that teachers can create effective relationships with, and rigorous learning programs for, each individual student. Thankyou for your efforts, parents. The relationship that develops between the student, the parent and the teacher is strengthened by the sharing of information and by regular communication. This is a vital cog in the wheel of APPS' effective learning community.

Weeks 3 and 4 have seen the students settle into their weekly classroom timetables and routines. We have seen soccer incursions for the Foundation to grade 2 students, and District swimming sports for some senior students following on from the House swimming sports two weeks ago. Voluntary programs like choir, running club, and Peacemakers have begun which expand the children's experiences and allow them to find passions and interests. Many more programs are 'waiting in the wings' and will be gradually introduced to the students.

Parent Liaison Program

As part of our School Council initiative 'Community Connections' we implement a Parent Liaison (P.L.) program each year, where each class has a nominated Parent Liaison. The P.L. liaises with the teacher to communicate classroom and school information to class parents and to create a sense of community within their class.

Parent Liaisons enjoy communicating and are keen to support the collaboration within the class and the school community.

We are now calling for Parent Liaison nominations. A Compass notice was sent out last Friday with a link to an Expression of Interest document. This nomination period finishes tomorrow so if you're interested in becoming a Parent Liaison for your child's class, please fill out the form.

This is a great opportunity for you to be involved, meet other parents and participate in the school community via your class in a relaxed and social environment.

School Council

School councils play an important role in Victorian government schools. A well-informed and effective school council strengthens community confidence in the school and helps to build the school's culture. At APPS, we have a hardworking and enthusiastic school council who meet approximately twice a term throughout the school year. Our school council is made up of parent members, as well as Department of Education and Training (DET) employees. Parent members bring their experience as parents at the school and the views of the wider school community to

school council meetings. DET employees bring their educational expertise to school council meetings.

At the beginning of each year some members of our school council finish their tenure. It is now time to fill three parent positions on the council and we are calling for nominations for these two year positions.

If you would like to self nominate or nominate another parent, please collect a form from the office or request a form be emailed to you. Nominations must be submitted by 4pm Thursday 4th March.

Compass Kiosk

We have recently installed a new Compass Kiosk (iPad) at the office to enable the faster and more efficient management of student and visitor sign in/sign out procedures. It is extremely user friendly and enables real time tracking of students and visitors entering and exiting the school. This now means that if your child will be arriving late or leaving early from school, you will only need to enter the details into the Kiosk when dropping off or picking up your child instead of ahead of time on your App. We are sure you will find this system a real time saver.

Curriculum Days

Please note that there has been a date change for the Curriculum Days that were scheduled for March. The new dates are Monday 20th and Tuesday 21st June.

Assembly

We will be conducting an assembly on Friday 4th March to present our school leaders with their badges and to formally acknowledge and farewell Richard Lambert. We will hold the assembly on the basketball court at 2.45pm and parent and carers are welcome to attend.

Have a lovely week everyone

Carly, Rachel and Annette

Schedule 4 Notice of Election and Call for Nominations

An election is to be conducted for members of the School Council of **ANTONIO PARK PRIMARY SCHOOL**.
Nomination forms may be obtained from the school office and must be lodged by 4.00 pm on **THURSDAY 3rd March 2022**.

Following the closing of nominations a list of the nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for election are as follows –

Membership category	<u>Term of office</u>	<u>Number of positions</u>
Parent member	From the day after the date of the declaration of the poll in 2022 to and inclusive of the date of the declaration of the poll in 2024	3
DET employee member	From the day after the date of the declaration of the poll in 2022 to and inclusive of the date of the declaration of the poll in 2024.	1

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

If more nominations are received than vacancies, a ballot will be conducted.

Principal

CSEF Application 2022

Camps, Sports and Excursions Fund

If you are a current Healthcare Card Holder, you are eligible to apply for CSEF assistance. Please fill out a CSEF form at the office as soon as possible.

If you applied for the CSEF at your child's school in 2021, you do not need to complete an application form this year unless there has been a change in your family circumstances. Your child's school will apply for the CSEF on your behalf.

You will only need to submit an application form in 2022 if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools in 2022 or you did not apply at the same school in 2021 or
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2022.

Schools are able to accept and process applications up until the end of term two each year.

FACE@APPS (Fundraising and Community Events @APPS)

Being a part of FACE@APPS is a wonderful way to get involved in school activities with the support of school council, staff and the community. It's also a great way to meet other parents and help run the fun activities that our kids love and enrich our school community. Please click on this link for further information about becoming a member and the upcoming AGM on 1 March. We would love to welcome new members and people keen to nominate for the office bearer roles! <https://faceatapps.com/815-2/>

LEARN, CONNECT & PLAY SAFELY ONLINE

Thursday 10th MARCH 2022, 7:30PM – 8:45PM (AEST)

Registration link: <https://bit.ly/CSPMARCH10>

Parent & Guardian Live Webinar Overview

Children today love to play, connect and learn online. This session aims to provide parents and guardians with insights and important information about popular online experiences children are exposed to today. Building a positive and healthy family environment where digital use is encouraged, but managed effectively, can be a tough balance.

Throughout this webinar the Cyber Safety Project Team highlight important settings and parental controls that allow your child to navigate online tools independently and safely. You will uncover proactive tools and strategies for developing fundamental digital safety and wellbeing skills in your young people at home, including ways to seek help when things go wrong online.

WHAT YOU WILL LEARN

- ✓ The Cyber Safety Project Methodology: *Plan, Prevent & Protect*
- ✓ Social networking trends and managing unwanted contact.
- ✓ Gaming trends and links to gambling.
- ✓ Parental controls & app privacy settings.
- ✓ Cyberbullying and help seeking strategies.
- ✓ Establishing and maintaining a safe digital environment in the home.
