Dear Antonio Park Families,

Colour Run

Our recent Family Colour Run evening was a huge success. It was so lovely to see our APPS community come out in force. The atmosphere, colour, fun and laughter made for a special night and such a great way to start the school year. A big thankyou to Emily Hardy and the FACE team for organising the BBQ. They raised a terrific \$2349.00. Fundraising for the event exceeded our expectations. All up, we raised a total of \$13955.00, which will pay for a hall upgrade. A big thank you to our whole community for getting behind this fantastic event.

More APPS events!

Save the date - We will be holding a family movie night on Friday 5th of May. Details to follow shortly. Our Fathering project has some fantastic events planned including a camp out at school! Term 1 – Wednesday April 5th 5:30-6:30pm 'Dad's on Board', Term 2 – Tuesday June 19th Dad & Kids Painting (off site), Term 3 – Friday September 1st Father's Breakfast & Literacy morning, Term 4 – Friday October 27th & Saturday 28th 'Fathering Project Big Camp Out'.

Grounds and Facilities

We take great pride in our school environment and put a priority on maintaining our wonderful facilities. Over the holidays, the deck classrooms, and hall foyer were painted. Exterior painting of the administration block, PAC and art room will be completed in the Easter holidays after colour choices are confirmed. New carpet in the Year 1 and 2 classrooms will be installed in the Easter holidays. The shade sail project will finally commence next week.

Traffic Issues

We continue to deal with weekly traffic issues. Leadership have met with several members of the Whitehorse Council to try and remedy the situation. We will continue to liaise with the Council as well as meeting with Will Fowles MP, who may be better suited to assist with our plans. Parent education and understanding is key. The school will also run Bike Education for Year 3 and 4 students next term.

Production 2023

We have secured the Box Hill Town Hall as the site for our production this year. The George Wood Centre at Yarra Valley is currently undergoing renovations. Last Friday 10th March, Kate Tyson and leadership met with Box Hill council staff to view the facility. Although the facility is quite different, we are confident it will suit our purpose and we are very happy we still have an option to run this important school event. Our Production dates are 12th and 13th of September.

NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) 2023 for Years 3 and 5 commenced yesterday. The results of the tests provide information for stu-

dents, parents, teachers and principals which can be used to improve student achievement. The Year 3 and 5 teachers have done a great job preparing the students for this mandatory test.

Staffing

I would like to introduce our new staff members to APPS! Emilio Lopardi has taken over maintenance duties. Emilio will be here every Tuesday. Carol Godden will commence her role as library technician and integration support next week.

Carol will be here Tuesday, Wednesday and Thursday. She will work in classes in the morning and in the Library from 12pm each day. We warmly welcome them into our community.

Junior School Council and Green Team

Congratulations to the students listed on the following page who have been voted onto Junior School Council and Green Team. We are looking forward to working with these fantastic leaders!

Have a great week.

Parent Payments

A reminder that the 2023 Parent Contributions are now due for payment through the Compass Portal. Parent contributions are critical to the operation of a school. These fees pay for the books and stationary your child received at the beginning of the year. It also pays for things like digital technology, air conditioners, furniture and many other items NOT funded by the government. Without this support, the school would not have the capacity to provide all the fantastic programs and resources we currently enjoy.

Please follow the link below for the information relating to these contributions. This document explains how important these charges are to our school and how the funds will be distributed.

Parents are offered the option to set up a payment plan to suit your individual needs. Please contact the office if you would like to set this up.

Please click on the following link to proceed with your payment.

JB Psychology

From term 2, Antonio Park PS will be providing a room at school for JB Psychology to provide easily accessible and affordable psychological services to children at Antonio Park PS. We're very excited to secure this amazing resource which will provide our community with such a valuable service onsite at our school.

Jessica Bastiani is the sole proprietor of JB Psychology and a trained psychologist with experience in private practice and school settings, working with children, adolescents and adults. JB Psychology provides assessment and counselling services and is passionate about working with children and their support networks to understand and improve the functioning and wellbeing of individuals and the family unit as a whole.

All communication, including enquiries and bookings, should be made directly to JB Psychology. Families are privately invoiced through JB Psychology and Medicare rebates are available.

Jessica is taking bookings now for Term 2. Contact details, referral forms and information on costings are available at the office.

Fathering Project

'Save the date and get your favourite family board games ready. Our Term 1 Fathering Project event 'Dad's on Board' is happening on Wednesday, 5th April 2023 5:30pm - 6:30pm in the APPS Hall! All fathers and father figures are welcome, especially new families to APPS.'

Division Swimming Carnival

On Thursday 9th March, Lily F in Year 5, represented APPS at the Ringwood North District, Division Swimming Carnival at Aquanation. She competed in the freestyle and butterfly events, receiving a 4th in freestyle and a 3rd in butterfly. Congratulations to Lily on an absolutely incredible effort. Well done

Australian Schools Mountain Biking Event

Last weekend Chris B competed in the two mountain biking events. He raced in the Years 7-8 Mountain Biking competition as there were no other Year 5 riders and came 56th in the field of 80 competitors. Chris also raced in the Downhill Gravity event in the under-13-year-old category and placed 8th. This was a huge effort and he should be extremely proud of his achievements. Well done Chris.

Second Hand Uniform Shop

We are very lucky to have two of our parents, Abby Steedman and Claire Walsh volunteer their time to operate our Second Hand Uniform Shop. The shop operates in the foyer of the hall between 3:00-4:00pm. We thank you for all the wonderful donations of uniform items to enable our shop to operate. We kindly ask that only second hand PSW items be donated as second hand Kmart/Target items do not tend to be in demand.

Shop dates will be kept up to date in the newsletter.

Our next shop dates are:
