# Around Antonio

Issue 5

30 March 2023

Dear Antonio Park Families,

## House Cross Country

Excitement is building for our annual House Cross Country event taking place next Tuesday, 4th April. Our students are eagerly anticipating the chance to showcase their running abilities and compete against their peers. We would like to invite all parents to come and support their children and the school by attending this exciting event. The barbecue will be up and running where you can purchase a delicious bacon and egg roll and we will also have a coffee van onsite for the morning. We look forward to seeing you there from 9am.

## Harmony Day Celebration

Our Harmony Day celebration last week was a huge success with students from all year levels participating in a variety of activities that promoted inclusivity and cultural diversity. The week culminated in a spectacular display of unity as the whole school gathered on the oval to spell the word "Harmony". This was captured on video and the footage is truly amazing (if you haven't already, visit our social media pages to view). We were thrilled to see all students come together to make this event a huge success.

## Staff Conference

While students will be enjoying their curriculum days at the end of this week our teachers are away at our staff conference hearing from expert speaker Glen Pearsall about effective classroom practice, followed by a day of training on the Visible Wellbeing framework. Glen Pearsall will provide valuable insights into how teachers can enhance their classroom practice to create an engaging and effective learning environment for their students. Our teachers will take away practical strategies and ideas that they can implement in their classrooms to improve student learning outcomes.

The Visible Wellbeing framework, which is based on the latest research in positive psychology, provides a holistic approach to wellbeing that considers the social, emotional, and physical aspects of student development. Our teachers had the opportunity to explore this framework and learn how to integrate it into their teaching practice. We believe that investing in the professional development of our

teachers is crucial to providing the best possible education for our students. We are excited to see the positive impact of this conference on the teaching and learning experience at our school.

## Family Movie Night

We are looking forward to our upcoming Family Movie Night Under the Stars, which will take place on Friday, 5th May. This event is open to all families in our school community and we encourage you to come along and enjoy a night of laughter and entertainment. There will be food and drink stalls available on the night, with all proceeds going towards outdoor upgrades including landscaping and seating. So bring your picnic rugs and cushions and join us for an evening of fun, entertainment, and community spirit as we gather together to watch a movie under the stars.

## Traffic issues

We continue to deal with weekly traffic issues. Parent education and understanding is key. The school will also run Bike Education for Year 3 and 4 students next term. Thank you for your support in this matter.

## Parent Payments

A reminder that the 2023 Parent Contributions are now due for payment through the Compass Portal. Parent contributions are critical to the operation of a school. These fees pay for the books and stationary your child received at the beginning of the year. It also pays for things like digital technology, air conditioners, furniture and many other items NOT funded by the government. Without this support, the school would not have the capacity to provide all the fantastic programs and resources we currently enjoy.

Please follow the link below for the information relating to these contributions. This document explains how important these charges are to our school and how the funds will be distributed.

Parents are offered the option to set up a payment plan to suit your individual needs. Please contact the office if you would like to set this up.

Please click on the following link to proceed with your payment.

<https://antonio.park.vic.compass.education/Organise/CourseConf/default.aspx>

Have a great week,

*Carly, Annette and Scott*

### Indonesian News

On Tuesday afternoon students from 5/6M met with students from our sister school in Bandung Indonesia to celebrate International Harmony day.

Students greeted each other via zoom and spoke about things that brought them happiness. Congratulations to Elodie, Tayissa, Audrey, Hugo, Jackson S, Siena, Olivia, Ruby, Hannah and Kieran who all articulated themselves really well on the day. We are excited about what lies ahead for the development of relations with our sister school.

### ANTONIO PARK PRIMARY SCHOOL

#### HOUSE CROSS COUNTRY

**Tuesday 4th April 2023**

*@ Antonio Park PS & Antonio Park*

**Students from F-6 are asked to wear house colours and show support for their team.**

Students are asked to wear appropriate running shoes for the event. Black school shoes, boots or casual/skate shoes are not appropriate for this type of activity.

**Parents and families are encouraged to come along and support the students on the day.**

There will be a coffee van in the driveway, and **egg and bacon rolls** to purchase in the morning. (Eftpos facilities will be available)

**We are looking forward to a fun event!**

A reminder to parents who are yet to return Asthma Plans or Medical paperwork to Nicole.  
Please ensure that all paperwork is handed in to the office asap.

# Kiss & Go Zones

## Understanding the rules

Kiss & Go Zones are for your child's safety, your convenience and to minimise congestion and confusion.

A Kiss & Go Zone is a short term stopping area which will enable your child to walk between your car and the school, using the safety of the footpath.

### Kiss & Go Zone Rules

- Kiss & Go Zones and No Parking zones operate under the same conditions.
- You may stop to drop off or pick up children for a maximum of two minutes.
- Drivers must remain in or within three metres of the vehicle.
- The zone applies only during the hours of operation stated on the No Parking sign.

#### Do not leave your vehicle

To assist with traffic flow, drivers should remain in the car whilst children get in and out. Children should travel with bags in the car (not in the boot).

#### Be timely

If your child does not get in or out of the vehicle within two minutes you must leave and re-enter the Kiss & Go Zone.

#### Child safety

Please ensure children get in or out of the vehicle on the kerb side. The back seat is the safest seat for children to travel in, regardless of the make of the vehicle. Ensure children have their restraints securely fastened before driving off.

#### Stay in sequence

Drop off or pick up your child close to the top of the zone, as far forward as possible. This allows vehicles following you to enter the zone in an orderly manner.

#### Driver duty of care

Observe traffic when entering or leaving the zone. Use your indicator to advise when moving into or out of the zone.

#### No U-turns

Do not do U-turns in busy school zones. They are dangerous and put children at risk.

Kiss & Go Zones need your cooperation to ensure the safety of all children. Please drive carefully around school zones.

**Visual Art (Week 8)**  
CONGRATULATIONS  
**4H**

For demonstrating persistence when challenged and kindness towards others. It's been fantastic seeing your grade uplift and support each other. Keep up the excellent effort!

**Indonesian (Week 8)**  
CONGRATULATIONS  
**3K**

The Indonesian specialist award for Week 8 was presented to 3K for "Synergising and working together in harmony. The way in which you supported each other to complete the cultural treasure hunt was impressive."
