POLICY

1. School profile

Antonio Park Primary School was established in 1960 in a bushland setting. Despite the growth of the school, the original native bush surrounds still exist at the back of our school property. We have a strong Environmental Education program and promote sustainability practices. Visitors often comment not just on our beautiful bushland setting but also on the great feel of the school and the positive energy that permeates through classrooms. This atmosphere is in part generated by a staff that is passionate about education, has a great sense of fun, exhibits strong levels of support for colleagues and displays warmth in its interactions with others.

The school encourages an 'open door' approach where parent and community contribution and participation are valued. We embrace the many changes that are so much a feature of today's education and greatly value the wonderful support from parents/carers and strong links to local community groups. The strong partnership between home and school is seen as the foundation of successful learning for all children.

Our wonderful facilities are the result of extensive building programs throughout the first decade of this century, designed to meet the learning needs of our students both now and for many years to come. Our school has recently been fully repainted and re-carpeted, and state of the art interactive SMART Boards in each room complement our bring your own device laptop program in Years 3 - 6.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

All members of our school community have a right to experience a safe and supportive school environment. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education

- express their ideas, feelings and concerns.

Students have the responsibility to:

- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team. Further information about raising a complaint or concern is available in our Complaints policy

6. Student behavioural expectations and management

Behavioural expectations of students are grounded in our school's Statement of Values.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Antonio Park Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

The principles of Restorative Practice are implemented at Antonio Park PS and promote respect for every member of the school community, encouraging responsible behaviour and actions and ensuring that personal pride and dignity are maintained.

Restorative Practice not only helps to heal and repair harm, but puts in place ways of building and developing the social and emotional literacy of people so they are better able to express themselves, relate well with others and deal with conflict when it arises.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Year Level Coordinator
- Restorative Practices
- detentions
- behaviour support and intervention meetings
- suspension
- expulsion

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/expulsions/policy>
